MARK NELSON

To  
Boy NEWTON  
YOUR ABOUT the  
Smartest person  
in 4th in. physics  
I wasn't the smartest  
BUT I kick you in  
the head a lot since  
I sat behind you  
good luck  
Larry Pottman

Mark-

You are a very smart  
guy so next year I  
guess you'll be the brain  
of S.E. Good luck  
next year, it has  
been great knowing  
you. Have fun and  
don't study, it will  
help your reputation!  
Cliff

Everything was Dark,  
Scott said let Boy Newton  
Be, & All was Light.  
Mark, you're the only  
person that's smarter than  
me (Ha). If you ever <sup>do</sup> get a  
55 396 Chevelle, Al Lawrence  
will sh-- his pants.

Scott Straight (Spanish Buddy &  
Lab partner)

Mark -

It's been some year  
in physics, hasn't it?  
It's been great having  
you in class and  
have a great senior  
year. Good luck always

John Drwin

Mark,  
Point to moment for  
one person, you wouldn't  
expect I out like about  
1/4 of what you got to me,  
maybe then I'd pass or not  
I got 100% well, I guess I would  
you

To a man who

Knows his Physics

It's been fun

Good luck

DA

Alan Lawrence

You may be a jerk but you're  
still a trucker. Steady.

WELL NELS - keep high and still stay straight

If you say nothing  
you may never be embarrassed  
or hurt, but perhaps  
loneliness wherever but  
more. SPEAK UP, MAN!  
Thank like you in mind  
that hard and when  
you don't let it out it  
makes me + everybody  
also feel inferior. You  
don't want that. On do  
you?

PLS But...

# UNITED STATES MARSHAL COURT ARMY TIG ST

Dr. Fred G. Addis

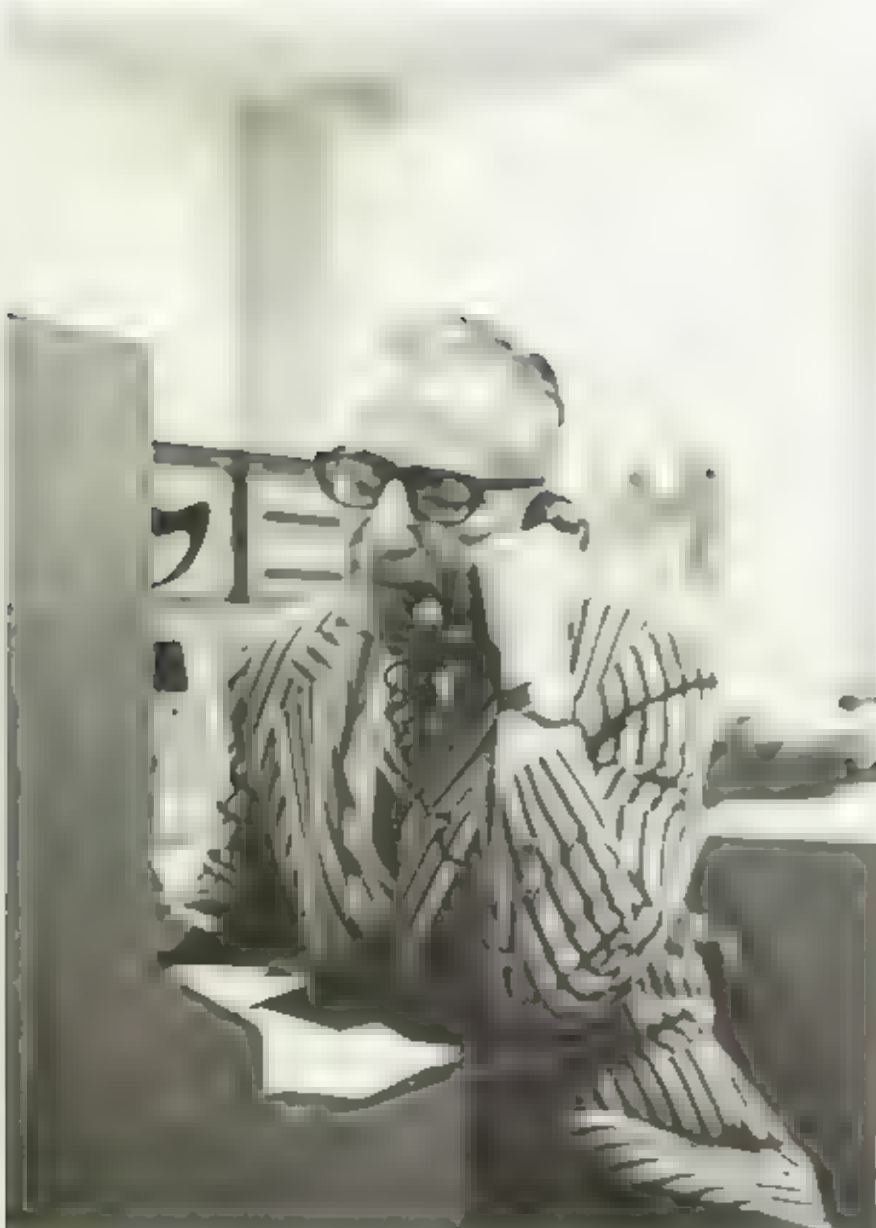

**Education**

**Responsibility**

**Good Citizenship**

## **Dr. Addis Head Administrator for Fifteenth Year**

Dr. Fred G. Addis has been the principal ever since the school opened in 1957. For the fifteenth year, our principal has taken care of school affairs. He received his Bachelors degree at Wichita State University and his doctorate at the University of Colorado.

Dr. Addis has not always been at a large school of 2700. He first started his teaching profession in Derby, Kansas in a one room schoolhouse at the age of 17, even before he received his degrees.

His two children, both graduates of Southeast, live here in Wichita. His daughter, Jodie, now Mrs. Richard Long, is a registered X-ray technician at Wesley Medical Center. His son, David, is a teacher at College Hill Elementary School. Raising show dogs has been Dr. Addis' hobby for many years.

Adding to his many duties at Southeast, he is the coordinator of the Citizen's Advisory Committee, a committee made up of concerned parents of Southeast students. Dr. Addis plans the activities and meetings of the Board which he initiated in order to help improve the relations between parents, students, and teachers.

Dr. Addis hopes that each student not only gain an education, but also become a better citizen from attending the "Home of the Golden Buffaloes."

Mr. Eugene Franklin

Mr. Keith Graham

Mr. Larry Roberts

## Administrators Strive For Peace . . .

Mr. R. Larry Roberts replaces Dr. Martin Smith this year as one of the three assistant principals at Southeast. The other two are Mr. Eugene Franklin and Mr. Keith Graham.

Mr. Roberts is the general office-manager which includes scheduling, enrollment duties, assisting in curriculum and teacher evaluation. He also heads the student-teacher program. This is Mr. Roberts first year at Southeast. Pryor to this he was Vice-principal at East High School.

Handling student discipline, attendance and lockers is the job of Mr. Eugene Franklin. This is Mr. Franklin's second year at Southeast. Formerly, he was an IBM salesman. In 1965, he earned his B.A. in English and in 1966 his M.A. at WSU.

For five years, Mr. Keith Graham has been in charge of working with student enrollment, handling discipline problems, and helping to organize busing transportation. He attended Kansas State College at Pittsburg where he earned his B.S. degree and Colorado State University where he received his M.A.

## Southeast's Teachers, Librarians, Counselors, and Office Staff Are Integral Parts of School Life.

### Library —

Southeast students take pride in their school library as being one of excellent facilities and a pleasant atmosphere.

Students gain knowledge and help through many of the Southeast libraries sources. The AV equipment, such as the headphones and slide projectors serve numerous purposes for the students. Along with access to the periodic and reference sections students may also use provided typewriters and check out paintings. This year a new section has been added to the library, the paperback book section.

Miss Glenda McNew is this year's new head librarian. She was formerly at Kansas City where she was also a librarian. She also taught English at Jardine Junior High. Her assistants are Miss Pat Browne and Mrs. Vera Berry. Mrs. Helen Jewett is the library clerk.

### Counselors —

Sharing the numerous problems high school students are confronted with during their years at Southeast are the guidance counselors Southeast provides.

Mr. Clark Beck was in charge of scholarships, testing, and vocational information. Mr. Beck helps many students decide which college is best suited for them and requirements they need. "College Night", a program Mr. Beck heads, helps the senior to decide upon his best choice of college.

Sophomores and juniors were helped by Miss Fanny

Thompson and Mr. Kenneth Clark. The senior class was assisted by Mr. Richard Elving.

Along with the help of proctors the guidance office is in full use daily. Any student with need of help or advice is capable of assistance from his counselor any time.

### Office Staff —

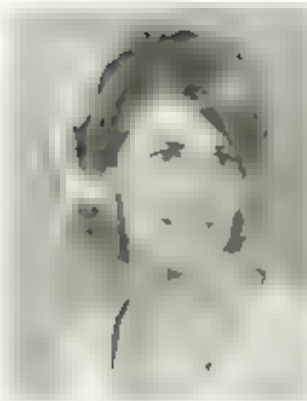

Along with the help of student proctors the seven office staff members help to keep Southeast in good shape.

Mrs. Nadine Rogers acts as Dr. Addis' secretary. Mrs. Rose Shreffler in the general office practices and is in charge of office practices and the student proctors. Mrs. Gene Herd and her assistant, Mrs. Linda Casey, take charge of the registration. The bookkeeping is managed by Frances Wilke. Mrs. Carol Turner heads the attendance office where Mrs. Debra Eells serves her as part-time attendance clerk. Mrs. Eells also works as a typist in the general office.

### Teachers —

It seems that this year has proved to be "the year" for the Southeast High school faculty. With the price freeze delaying their pay raise and the many problems with absences, this seems to be "the year that was." The following section is devoted to those hard working people we call teachers of the Golden Rule. Hope you like it, because whether or not you do or don't, the "Hickory stick gang rules again."

## Journalism Students Publish School Newspaper and Yearbook

For the first time in the history of Southeast the yearbook was headed by Co-Editors. Debbie Layne and Joy Jewett, with the help of Managing Editor Mike Gregory, Assistant Editor Fritz Robinson, and Mr. Dean Campbell, yearbook advisor, worked during the summer planning and laying out the book.

A one day clinic was held at Friends University in which the whole staff attended. The clinic aided the staff in copy, headlines, and general yearbook procedures.

The four editors and Dean Campbell went to the American yearbook company, in Topeka, to discuss such things as the opening section, art work, and color utilization.

The staff worked diligently on Saturday mornings and during the week to produce the 1972 HOOFBELTS.

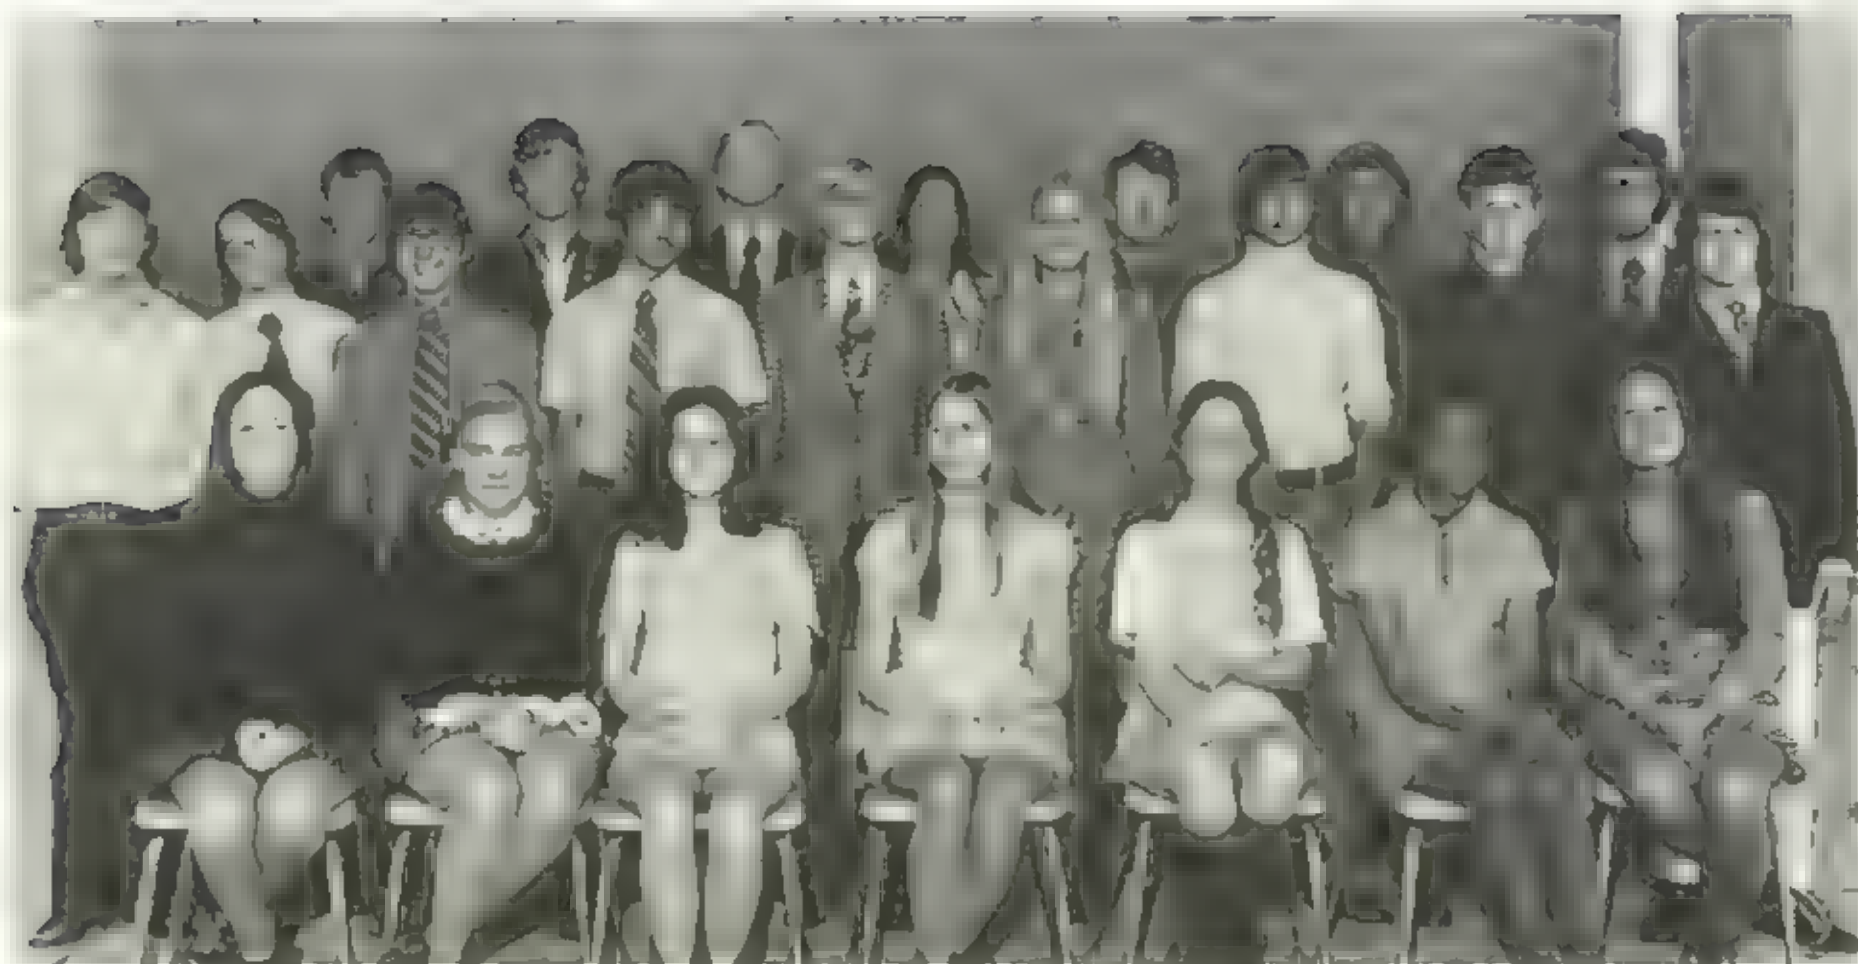

Members of the 1972 Stampede staff worked many long hours in putting out the paper and meet the required deadlines.

Pages had to be checked, advertising contracts had to be signed, outlines had to be written, pictures had to be taken and then printed, and the reporting of assigned stories all had to be completed before each issue could be published.

Nancy Robertson headed the staff for the first semester, and Trix Niernberger, the second. The girls had charge of all functions of the staff. Nancy and Trix had the final say concerning the stories to be printed and the basic layout of the pages. Due to lack of funds the paper was printed bi-weekly the first semester, and weekly the second semester.

## Southeast's Debaters Discuss Pros and Cons of Jury System

Under the supervision of Mr. Gene Specht the Southeast debaters continued in the tradition of the former debate teams by ranking as one of the highest in the state.

This year's squad is made up of twenty-four experienced debaters, who are second and third year students, and fifty novice debaters, who are in the first year of debate.

This year's team participated in thirty-five tournaments, and placed high in all of them. The topic debated this year was "Resolved: that the jury system in the United States should be significantly changed." Much time was spent in the library gathering proof, facts, and data for presentation and refutation of the statement.

P.P. was the debate squad's motto for this year — Perpetual Power.

Our #2 Handsome What? Richard Varner plays the triangle for "Johnny Schmoker" for first concert of the year.

Seniors, Mitch Bell, Kim Stewart, Lori Hines and Bob Bell sing "Comedy Tonight" at the first vocal music concert of the year

## Select Choir and Ensemble Perform at Various Functions

Mr. Vernon Nicholson directed the one-hundred and seven voice Choraleers mixed choir for his sixth year at Southeast. The choir performed not only for the student body, but for numerous activities around the city and state. The group was invited to the South Western American Choral Directors Convention at the University of Oklahoma where, along with other select groups, they competed for awards.

A special program was performed at Christmas along with the annual Christmas Vespers, when the Choraleers presented "Amal and the Night Visitors", an opera. The Group also presented the annual Choraesque in the spring.

The Madrigals, a group of select voices chosen from the Choraleers, was directed by Mr. Nicholson also. This group performed as a representative of the Southeast Music Department at many functions around the city. This group was chosen last spring as their ability to read music, and their voices.

Lynder Wisner, Deann Morozzo, Sue Shaefer, Linda Blakey, Jerre Byrd, Linda Gould, Pam Webber, Twila Young, Linda Finkbeiner, Kim Tippen, Debra Chapman, Lynn Sharra, Ellen Estes, Kurt Schlender, Pam Danielson, Nancy Padgett, Susan Larmer, Belinda Brown, Nancy Gustke, Kathy Lehman, Kathy Thomas, Patti Harris, Janet James, Jill Osment, Emile McKenzie, Susan Herstein

FIRST ROW: Cheryl Russell, Mary Scott, Debra Bergman, Debra Henderson, Cathleen Ryan, David Bruce. SECOND ROW: Terry Doan, Susan Bond, Kyle Saley, Jackie Mar, Lila Stewart, Linda Goldsmith, Michael Carthen, Curtis Cummings. THIRD ROW: Sherry Tannehill, Kim Crisman, Beverly Shirk, Julie Peters, Laurel Davis, Joanne Harrell, Becky Littlejohn, David Knox. LAST ROW: Beverly Jackson, Kay Shirack, Lisa Hartley, Georgann Herd, Patti Smith, Nancy Cooper, Sally Finney, Judd Quade, Robert Johnson.

Mr. Vernon Nicholson directs the Modernaires during "Musical Monopoly", the first vocal concert of the year

Junior Susie Herstein and Senior Lindee Blakey serve refreshments at the Jr. Misses tea.

FIRST ROW: Leslie Olson, Peggy Newman, Leslie Revel, Mary Goodman, Gloria Laws, SECOND ROW: Sharon Epp, Miles Evans, Karen Secher, Susan Stevenson, Vicki Childers, Mary Weniger, Tami Tucker, Tracie Albens, THIRD ROW: Jon Rodriguez, Kirk Sorenson, Helen Wilner, Jeannette Williams, Karen Dowdard, Joanne Lack, Carol Pedum, Rebecca Corbett, Nanette Elman, LAST ROW: Jon Wehman, Maude Lusk, Lisa Anderson, Kelly Carter, Angela Seasholtz, Francine Olson, Lynda Haulley, Cathi Overstreet, Nol Peterson, Louis Stevenson, Keith Andrews, Mario Ayala, Freddy Jones, Charles Bargman, Hal Glover, Robert Elomg, Darrell Gail, Bernita Autry, Kathy Kelly, Vicki Davis.

Deann Morozin and Emily McKenzie perform with the Jr. Misses during the "Music Monopoly" the best concert of the year.

## Jr. Misses and Modernaires Represent Music Department

Under the direction of Mr. Vernon Nicholson, the twenty-five junior and senior girls who comprise the Junior Misses performed at various functions throughout the year. The select ensemble sponsored a tea during the early part of the year when they invited the girl's ensembles from the other high schools in town. They sang for many church and civic organizations, school concerts, and many junior high PTA meetings. They also participated in the state music festival, and the annual Choralesque held at the end of the year. The girls were selected at the end of last year on the basis of their interest in music, ability to sight-read music, and the quality of their voices. All are members of Choraleers.

The Modernaires was a mixed choir made up of about twenty junior and senior music students. The students were chosen on their ability to read music, their interest and how well they sang a familiar song. Their year consisted of singing in concerts both in and outside of school.

Sophomore choir sings their way into the hearts of mans at the Musical Monoply.

## Sophomore Choral Groups Sing First Year at SE

Mr. Vernon Nicholson directed the Sophomore Choir this year. This choir was made up of ninety-nine select voices. The group was chosen on the basis of their music knowledge and the recommendation of their junior high music teacher. The sophomores sang for various events. Some of these were school concerts, civic events, and they also attended the State Music Contest.

Out of the entire choir a chosen twenty-three make up a girl's ensemble. This group performed for school concerts and also sang as a separate group in the state contest.

Another select group was the mixed ensemble. This group was made of thirty voices, and they were chosen on the basis of their voice quality and blend.

All of these choirs help prepare the sophomores for further music classes and help develop their music skills.

## Orchestra, Pep Band Played Selections for School Functions

Mr. Stephan Luttrell directed the orchestra, Stage Band, Pep Band, and Marching Band for his first year at Southeast.

The member Pep Band helped the Pep Club by playing selections at the home games. They also played at many special activities, such as pep rallies, and many school functions. All of the members of the band are members of the Marching Band.

The Orchestra members were also directed by Mr. Luttrell. The member group played at many concerts and activities. They competed along with the band at the State Music Festival held at Southeast.

The Twirlers participated in the half-time routines at the home games along with the Marching Band. These girls were chosen on the basis of their ability to twirl, and their interest in music, as they all were members of the band.

Drum Major Dave Adams served as the drum major for the second year. He led the band while they played in half-time routines at the home games. Dave was responsible for keeping the 84 band members on tune and in step.

## Band Department Provides Music for Games, Activities

Mr. Stephan Luttrell directed the marching band and the stage band. The eighty-four member band played during the half-time ceremonies at the home football games. All of the members were in fourth hour band class, and practiced numerous hours on the football field at Southeast. Dave Adams led the band in intricate routines at Cessna and O'shaunessy fields.

The band expanded in scope this year by playing selections not only from typical band songs and marches, but many late releases such as "Sunshine of your Love" and "In-A-Gadda-Da-Vida" were performed by the band.

The season was highlighted by a special routine during the homecoming half-time. Special effects were added such as fire on the end of the batons used by the twirlers.

Stage Band was also directed by Mr. Luttrell. The band performed for many functions, activities, and assemblies. They also performed for the annual Chorlesque in the spring.

The band was chosen in the basis of their ability to play their respective instruments, and their interest in music.

Student Council President Frank Bell

## Student Council Discusses School Problems, Solutions

Representing ideas and wants of the Southeast student body and working to fulfill them is the main objective of the Student Council, according to the President Senior Frank Bell.

STUCO sponsored events such as the Homecoming rock concert, Friendship Fund, Sweetheart Dance, inter and out-of-city exchanges, OSOM Week, the Senior Prom.

Meeting twice a month every other Wednesday during school and the other Wednesday's after school. Stuco carried out these functions.

Frank stated the only changes in Stuco this year is that in order to sponsor any function fifty or seventy-five percent of the money needed for the function must be raised prior to its date. Also all activities must be for the satisfaction of the students.

This year's Student Council sponsors were Miss Sue Neal and Mr. James Powell.

Junior Gus Bauer, student council representative, helps with the car wash which was held in the parking lot of SHAKEY's on Oliver

Eric Sternberger, Marty Farha, Meredith Tromble and Larry Seely — Youth Board

a moment of talk about the present issues

## Student Committees Work Toward Students' Rights

Discussing such things as the problems all schools need to solve — open lunch policy and cross-busing are just a few of the activities the Wichita Youth Council have undertaken this year. The Youth Council consists of five students from each of the high schools which includes each school's Student Council President. Any member of the Wichita School Board was encouraged to attend the meetings of the Youth Council to contribute their views and ideas.

Sponsored by the YWCA, the Wichita Youth Board is open to interested students from all Wichita area high schools.

This year's board's purpose was to educate school counselors on the draft. A draft seminar was established and opened to the high school counselors so as to educate them on specific aspects of the draft.

Another project the Youth Board worked towards was to have a voting registrar in the high schools.

Human Relations Board was changed to an unstructured pattern this year. The changes included voluntary attendance, allowing Board meetings to be open to all students and having meetings only when it was deemed necessary.

The Board worked on plans of a student grievance assembly and a Human Relations Week.

John Widdowson looks on as Fritz Robinson partakes in his favorite pastime.

## Academic Societies Receive Experience

Along with the various clubs and organizations at Southeast are three international honorary societies. These societies offer leadership in drama, speech, and journalism.

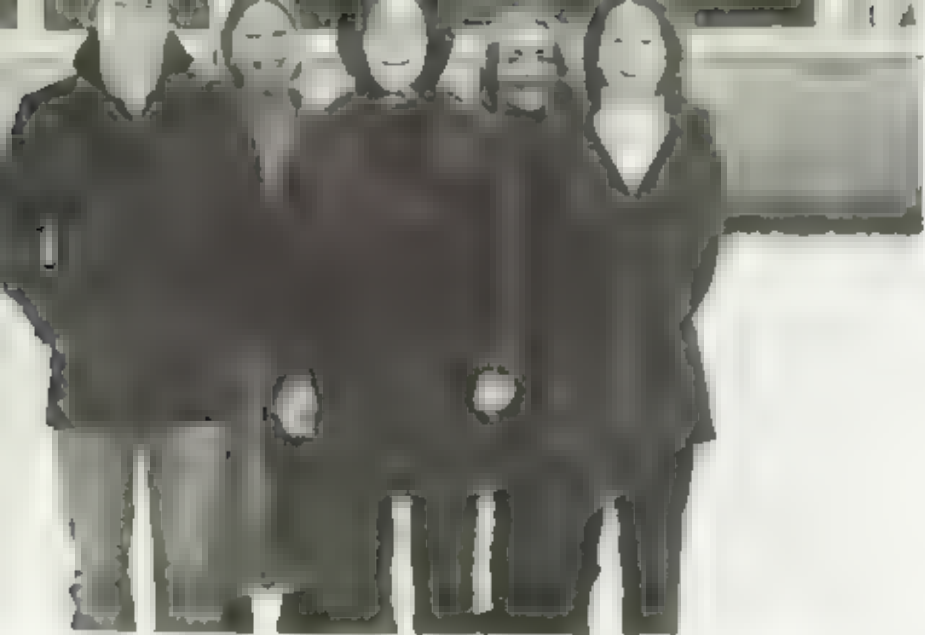

Quill and Scroll offers individual achievement rewards in journalism and allied fields. Its members must hold an A or B overall grade average and be selected by the existing members and the advisor, Mr. Dean Campbell. During the year those active helped to publish the yearbook and newspaper and visited the various high schools journalism departments along with the Eagle-Beacon.

Mr. Gene Specht heads the National Forensic League Society, an international speech organization. This society trains for leadership and gives encouragement to become an effective speaker and a more successful, influential citizen. Requirements for membership include: rank in upper 2/3 of class, attain 25 NFL points, and voted in by 3/4 of the existing membership.

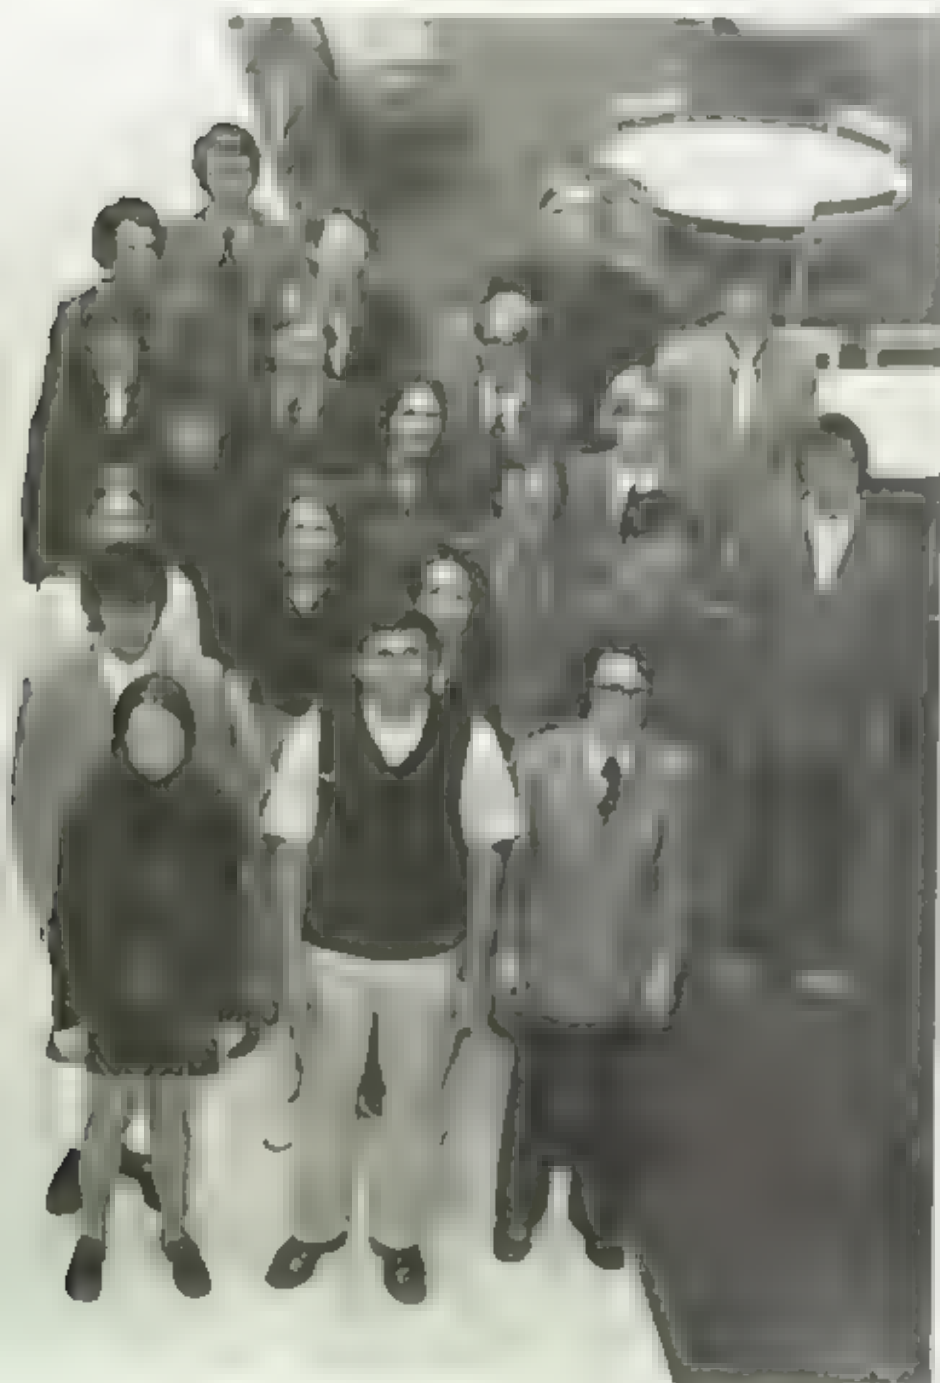

Earning points on major productions drama students may become members of Thespians, an honorary drama organization. Along with performing in dramatic plays and musicals the Thespians put on a program at the Veterans Hospital, under the direction of Miss Ruth McCormick. Initiation ceremonies for new members were in January and in May.

## Language Organizations Stress International Modes of Living

The annual French Banquet held in the spring was the main attraction of the **FRENCH CLUB** this year. Under the sponsorship of Mrs. Helen Hageman the 25 or 30 members met to learn French traditions and to promote fluency in speaking the French language. Such activities as holding a Christmas party in which the members presented a play and inviting guest speakers took place during the 71-72 year.

Led by president Mike Gregory with the help of Mrs. Helen Hiebert the **SPANISH CLUB** meets to further their interest in the Spanish language through Spanish-related activities and functions. Thirty-eight members gather on the first Monday of every month to plan such events as the Christmas project, parties, and an end of the year feast.

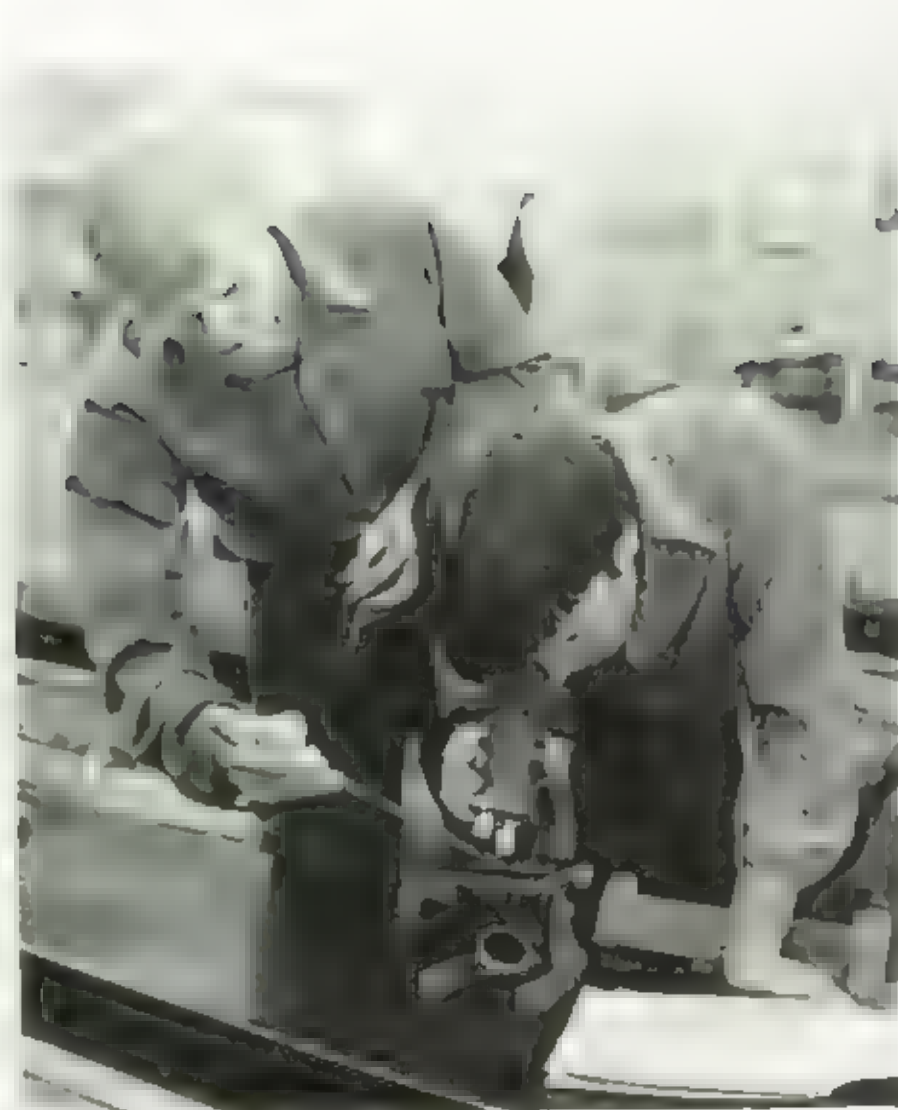

Approximately twenty-five students take part in the **GERMAN CLUB** to promote their understanding of German people, lands, and customs. Some of the activities they participated in were German Christmas caroling, the International Language Dinner, Halloween party, and writing pen-pals in Germany. The German club was sponsored by Mr. Marlin Schrag.

## Future Occupations Discussed By Interested Organizations

As a main purpose parliamentary procedures are taught to the students engaged in the Office Education Club. Club representative attended a meeting of the delegate Assembly of the Kansas Office Education Association at Kansas State Teachers College in Emporia, Kansas. Other activities included good grooming sessions, visits during Christmas to two nursing homes, and sending Christmas cards to employers and parents. Mrs. Rosemary Coad heads the Office Education Club.

Mr. Glenn Clark sponsors the Southeast SCIENCE CLUB for those students who wish to expand their interests in the realm of science. A field trip to the Sacred Heart planetarium was the main project along with inviting guest speakers and having discussion groups. The Science Club is open to all pupils with an interest in science.

## Experience Gained "By Doing." Stressed By Art, Radio Clubs

Frequently there is not ample time for students to do things during their class time that they wish to accomplish. Interested art students with this problem meet after school on Wednesday to do extra activities they desire. One activity included digging a kiln in the side of a hill and baking pottery. A trip to the Kansas City Art Museum was also planned. Mr. Micheal Schlver, ART CLUB sponsor, stated that even those students not enrolled in art were welcome.

Thirty Southeast students and Mrs. Patricia Lemon constitute the RADIO CLUB. Meeting on Monday nights after school the club gives students the general idea of the broadcasting field and practical experience. Their main project of the year was the start of the radio station KLOK. The station ran every weekday from 7:00 a.m. to 3:10 p.m. broadcasted in the halls from 7:00 to 8:00 and 3:00 to 3:10. teacher approved studyhalls and in the cafeteria during classes.

## SE Cheering Squads Promote Enthusiasm

The cheerleaders, while promoting school spirit at the different competitive sports led Southeast to many victorious wins. Along with cheering at the games, the cheerleaders performed at pep club meetings and pep assemblies, made bakery items for the competitive teams, and held various after school sales.

The varsity cheerleaders advised by Mrs. Barbara Calvert were seniors Sue Schaefer, Nancy Woolf, and Moranda Lacy and juniors Rogie Harter, Pam Goodman, and Nancy Utter. This year Moranda Lacy was selected as Southeast's first black cheerleader.

The B-Team cheerleaders were junior Gina Jabara, and sophomores Sandra Meade, Randy Lobesack, Crystal Fraser, Anne Hirelman, Nancy Bogard, and alternate Jill Eaton.

Helping the cheerleaders to promote spirit are the Banner Girls who spell out Southeast by each girl wearing a different letter on her sweater. This year the Banner Girls were selected to be featured in The National Magazine of the Association of Drill Teams. Under the supervision of Mr. John Morton, this is the second year Southeast has had Banner Girls.

## Pep Club, Lettermen, Women Promote School Team Spirit

Under the sponsorship of Mrs. Marilyn Morris the letter-womens Club of Southeast offers athletic and social activities and aids in developing good sportsmanship and fair play. Since last year membership has increased by approximately twenty members. The main project of the letterwomen this year was to earn money to buy warmups for the various competitive teams.

Sponsoring victory dances, after school sales, and interschool dinners the 71-72 Southeast pep club displayed their enthusiasm and spirit at the many sports events that the Southeast athletic department took part in. Sponsored by Mrs. Opal Moran, sixteen girls made up the class and cabinet for the pep club to encourage the some 200 members to support their teams. Along with allowing members to wear jeans at the football games other rules were made more liberal to make the pep club more enjoyable.

To honor the athletes who excelled in competitive sports was the function of the Lettermen's Club. Under the direction of President Bob Angelo, the club sponsored many school activities, including the basketball throw at the All-School Project.

## SE Organizations Work Toward Separate Interests

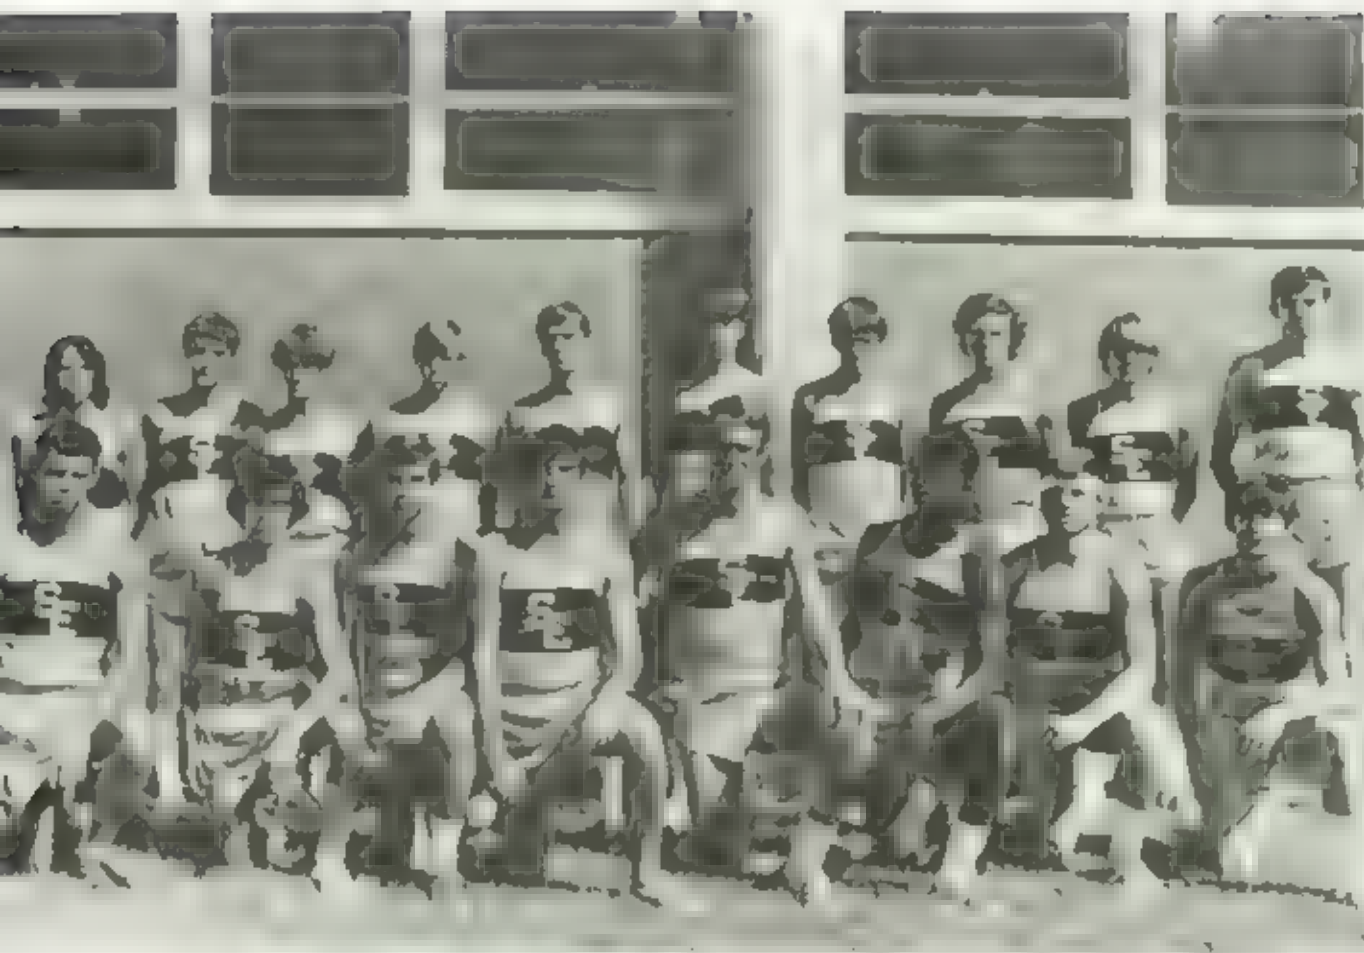

One of the main attractions in the girls gym department is the annual swim show presented in the spring. SE A SPRITE members and boys on the swim team help to make this event a success. Girls in the synchronized swim club meet to learn new swimming stunts and practice old ones. This club is sponsored by Mrs. Betty Fugit.

Today more and more people are seen riding bicycles rather than driving cars. One reason may be that it is less expensive. Another would be just for pleasure. A group of organized students at Southeast who meet for the latter purpose constitute the BICYCLE CLUB sponsored by Mrs. Pamela Dixon. This new group was organized after Mrs. Dixon's husband began a similar club at South, where he is a teacher. About thirty members meet to enjoy the air and to exercise and many times stop for picnics.

An opportunity for blacks to let Southeast know that they are getting a voice and the administration is listening was one of the main purposes of the BLACK COALITION. Under the sponsorship of Mr. Bruce Watson, twelve minority students were selected to help resolve problems between black students and the administration and the white student body. Meeting twice a month the BLACK COALITION sponsored black study week which included an all-black talent show.

Senior Rick Butin shows his bicycling devotion by riding each day to school.

## Cross Country Vies For Championships

Southeast's harriers climaxed a season of rebuilding with a sixth place finish in the state championship at Wamego. The young and inexperienced team, coached by Charles Hatter, was led by returning letterman Kent Adrian and Jerry Smith.

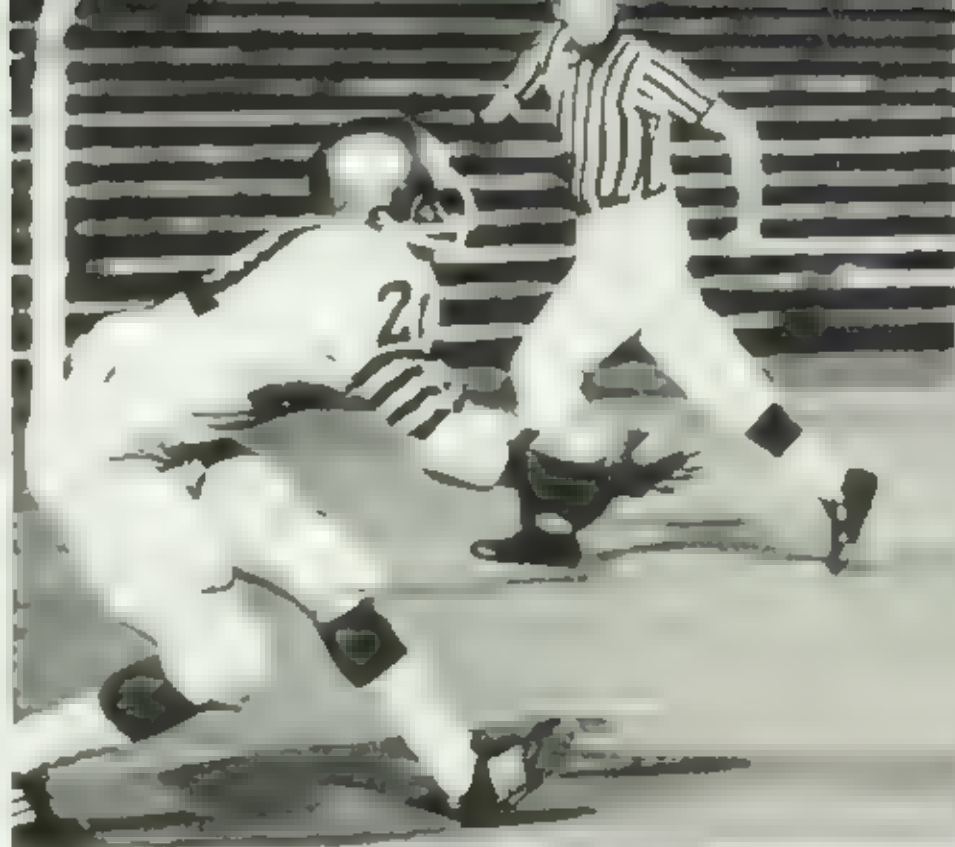

The highlights of the season were a third place finish in the City League meet as well as finishing third in the regional meet the following week. The top individual performance was turned in at the City League meet by Jerry Smith as he covered the two-mile course in ten minutes, fourteen seconds. Kent Adrian's best performance came in the same meet as he finished in ten minutes and fifteen seconds.

Approximately 25 boys went out for this year's team. The team trained for several hours each day throughout the season, as well as practicing on their own during the summer months before competition began. Besides running in varsity meets, the harriers also participated in B meets to gain valuable experience for future meets.

## Bufs Tie Third in League Competition

Sporting a 5-2 league record, the Southeast varsity football team, coached by Marvin Vandever, tied with Kapaun-Mt. Carmel for third place in the City League standings. Overall, the Bufs finished the season with a 6-3 mark, including a non-conference 41-6 victory over Salina and a 17-13 loss to Hutelinson.

With their league record marred only by their loss to South, Southeast still had a chance to win the title if they beat North. The Redskins proved to be too much for the Bufs as they lost 28-7.

Highlighting the league season was a 21-14 opening game decision over Kapaun-Mt. Carmel along with a 67-0 shutout against Heights.

The Southeast Bufs were in the state's top ten rankings consistently throughout the 1971 campaign.

According to co-captain Bill Neville, "The success of this year's team was a direct result of team unity. The team was more together than any Southeast team ever."

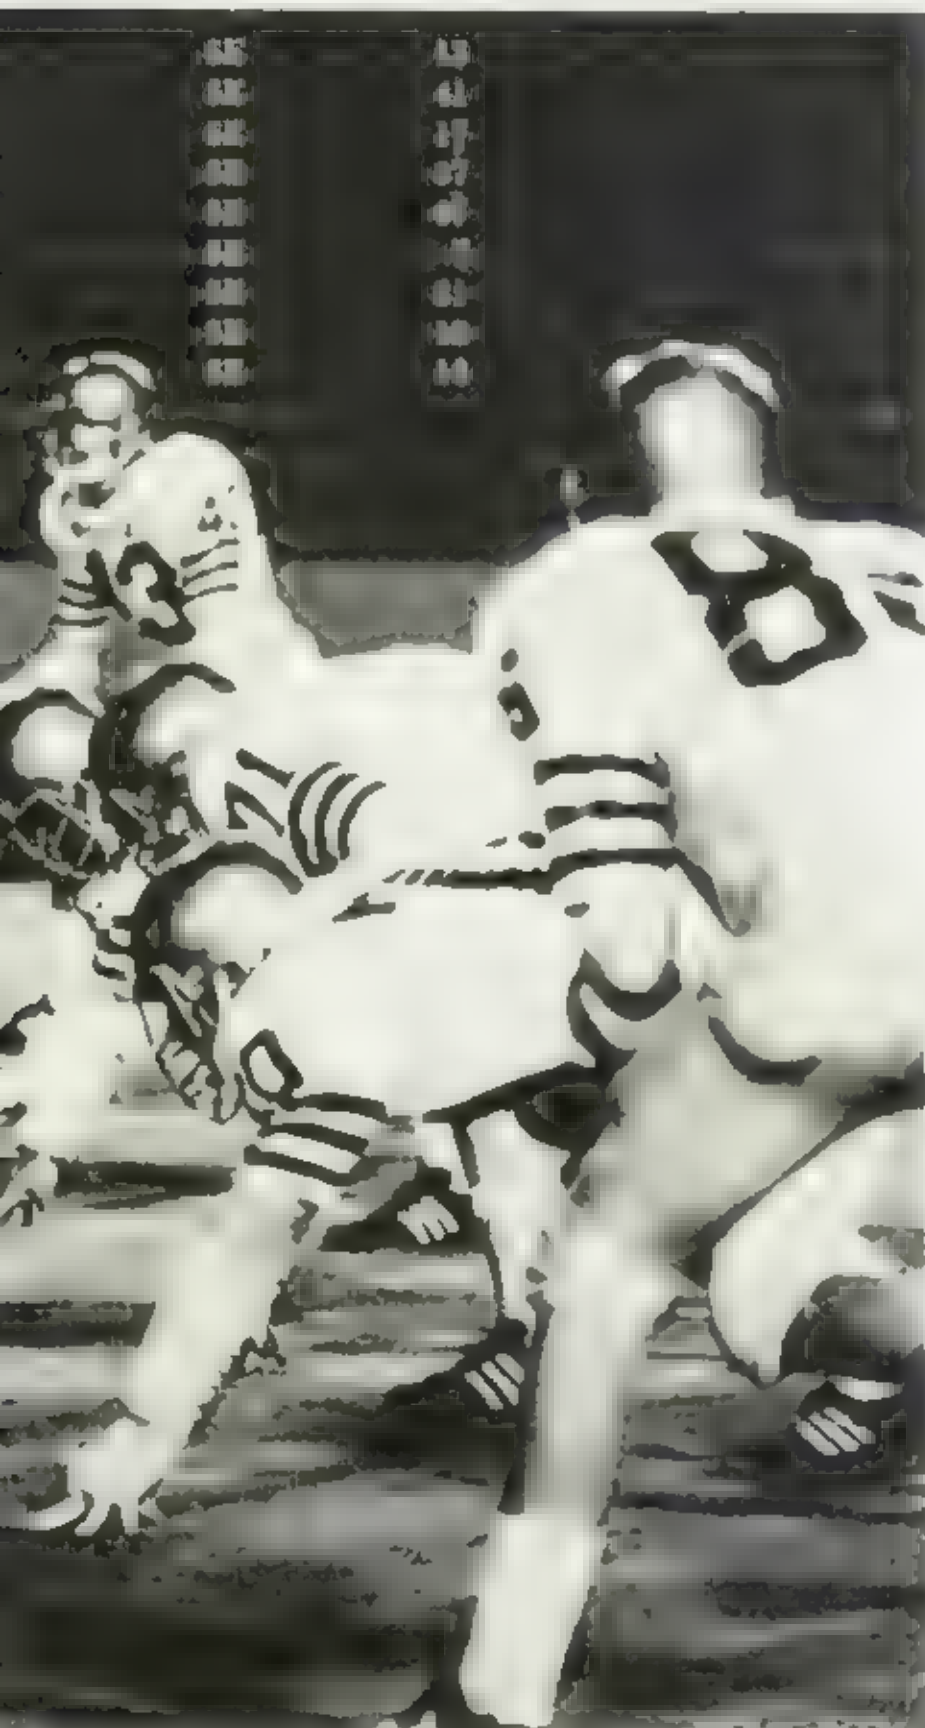

First team all-City players for the Bufs were Richard Varner and Laverne Smith. Second team footballers were Kent Brown, Bob Larsen, John Ales and Orley Amos. Bob Angelo and Tom Mead made honorable mention.

LOWER RIGHT: Junior Rocky Both runs around the right end as he opens the way to a touchdown as the B-team defeated North 20-0.

## Baby Buffs Working For Varsity Squad

With the hopes of playing on the varsity team next year, the members of the sophomore and B-teams gained valuable experience and playing time on the field.

Southeast's B-team compiled a 7-0 record for the season under the direction of Coach Everett Houser.

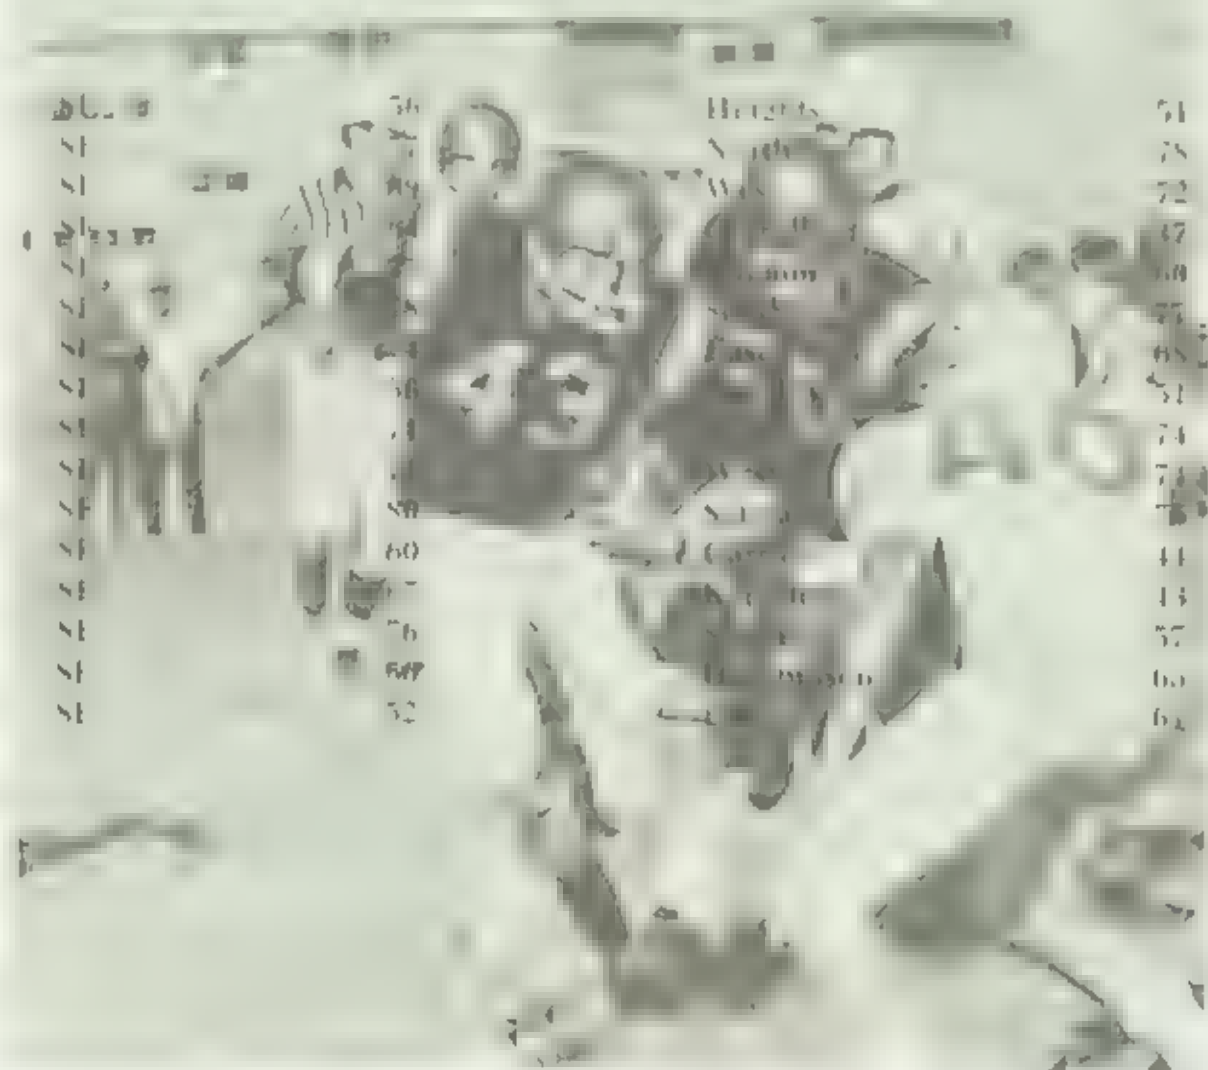

After an opening 30-0 trouncing of Bishop Carroll, the B-Buffs had only one close game. The East High Aces battled the Buffs throughout the game with Southeast edging East 8-0.

In the final game for both Southeast (6-0) and South (6-0), the title was on the line. Southeast won the game by a 42-14 margin.

Leading the B-team throughout the season was senior Brad Smith and juniors Rocky Both, Gary Herwig, Cliff Williams and Jim George," stated Coach Houser, "with the defense winning half the games.

The sophomores gaining experience under Coach Floyd Bayer, didn't have the season the B team did, but ended up with a 4-3 record.

A good nucleus for a B-team next year with a few boys playing on varsity," stated Mr. Bayer on sophs coming up. "I was also pleased with the way the team progressed throughout the season," commented Coach Bayer.

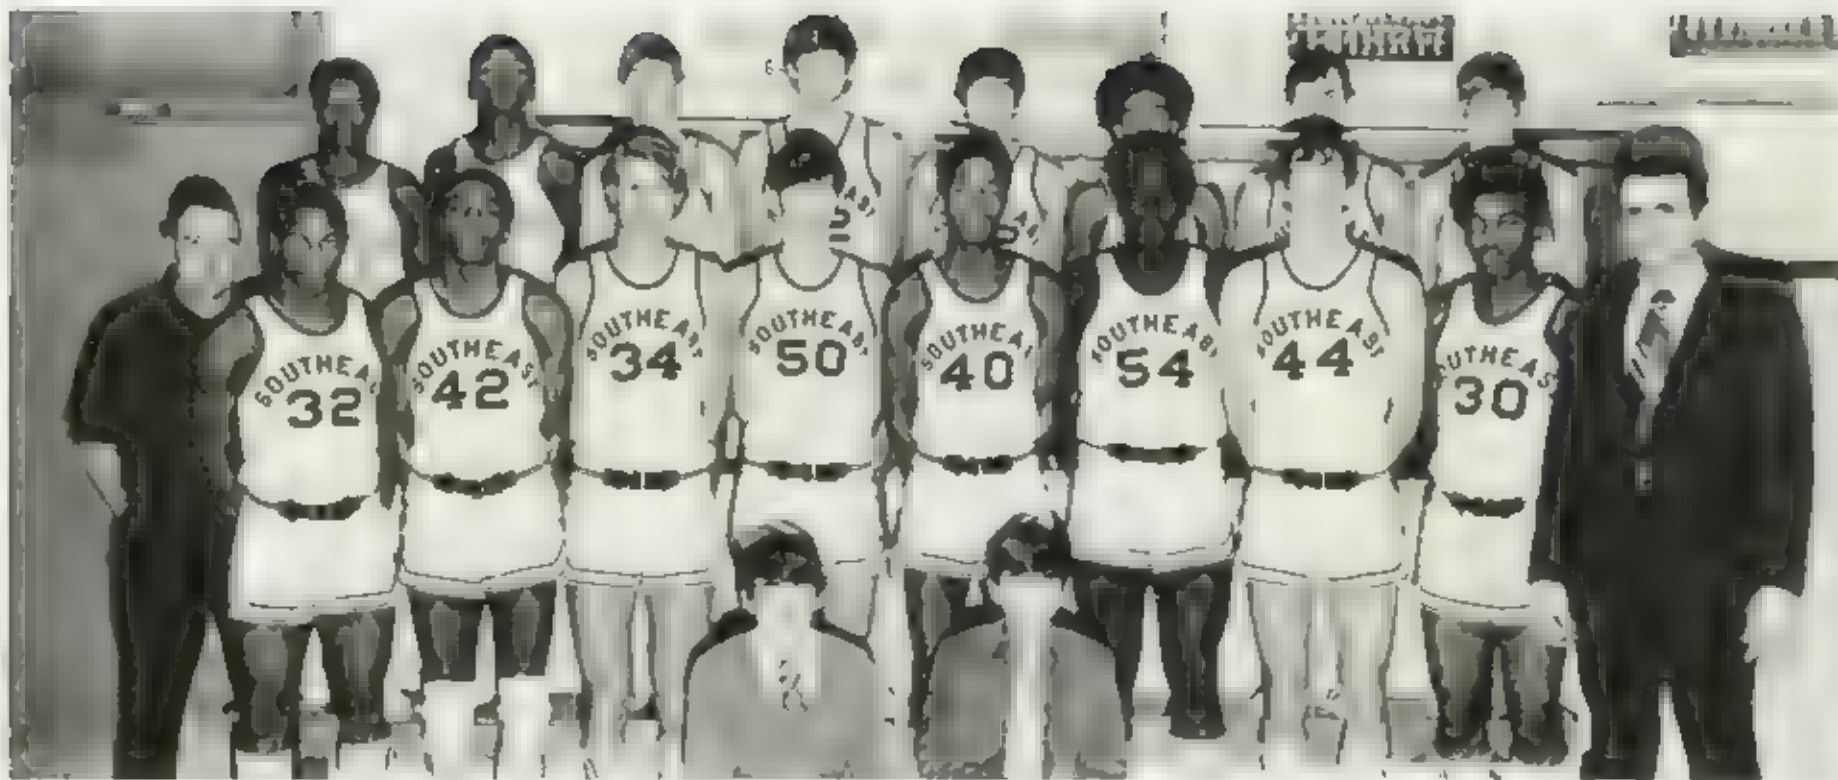

UPPER LEFT: Assistant coach Jack McCreery and head coach Everett Houser watch the game attentively as the eyes of Will Harris find something most interesting near the stands

LOWER LEFT: Ed Southern utilizes some fancy ball handling to get around North's Richard Holt

**VARSITY BASKETBALL TEAM** ROW 1: Coach Jack McCreary, Laverne Smith, Ed Southern, Will Harris, Tom Miller, Rod Jackson, Ray Murray, Rick Cornett, James Johnson, Coach Everett Houser. ROW 2: Tommie Hill, Gracen Guice, Scott Banks, Steve Ansel, Robert Henning, Don Turntine, Paul Thompson, Mike Hoppock, and ingrs. Max Vaughn, and Mark Wild.

## SE Cagers Capture High City Ranking After Conference Play

Southeast, last year's defending state basketball champions, again featured one of the state's top teams. The Buffs were consistently ranked in the top ten.

The Buffs, under the direction of head coach Everett Houser, opened the season with a 56-51 victory over the Heights Falcons. Their record dropped to 1-2, however, with narrow losses to North and West, two of the City League's top teams. SE then rallied to capture five league wins in a row, with consecutive victories over Carroll, Kapaun, South, East, and Heights. However, close defeats to West and North again in the second round of conference play gave the Buffs four league losses and eliminated them from the title picture.

Highlighting the non-conference play were trips to Wvandotte in Kansas City, Salina, and Hutchinson. The Buffs finished second in the tough Wvandotte Invitational Tournament by downing host Bulldogs on the first night and losing to highly-ranked Sumner in the championship game. Southeast traveled to Salina and came away with a thrilling 80-75 win over the Mustangs. This battle featured a head-to-head duel between Buff center Ray Murry and Nino Samuel of Salina, the state's most valuable player of 1970-71.

Starters for Southeast this year included Murry, Eddie Southern, James Johnson, Don Turntine, and Laverne Smith.

## Sophomore and B-Team Squads Train for Varsity Positions

The Southeast B-Basketball team, coached by Jack McCreery, had its ups and downs in compiling a 9-6 won-loss record. The Buffs started strong with wins over Heights and highly-touted North but then lost to both West and Carroll. The team won their next four games before again losing two straight, this time to West and North.

Regular starters include Scott Banks, Tommie Hill, Graegen Guice, Tom Miller and Rick Cornett. The B-games give the players experience for varsity play the following years.

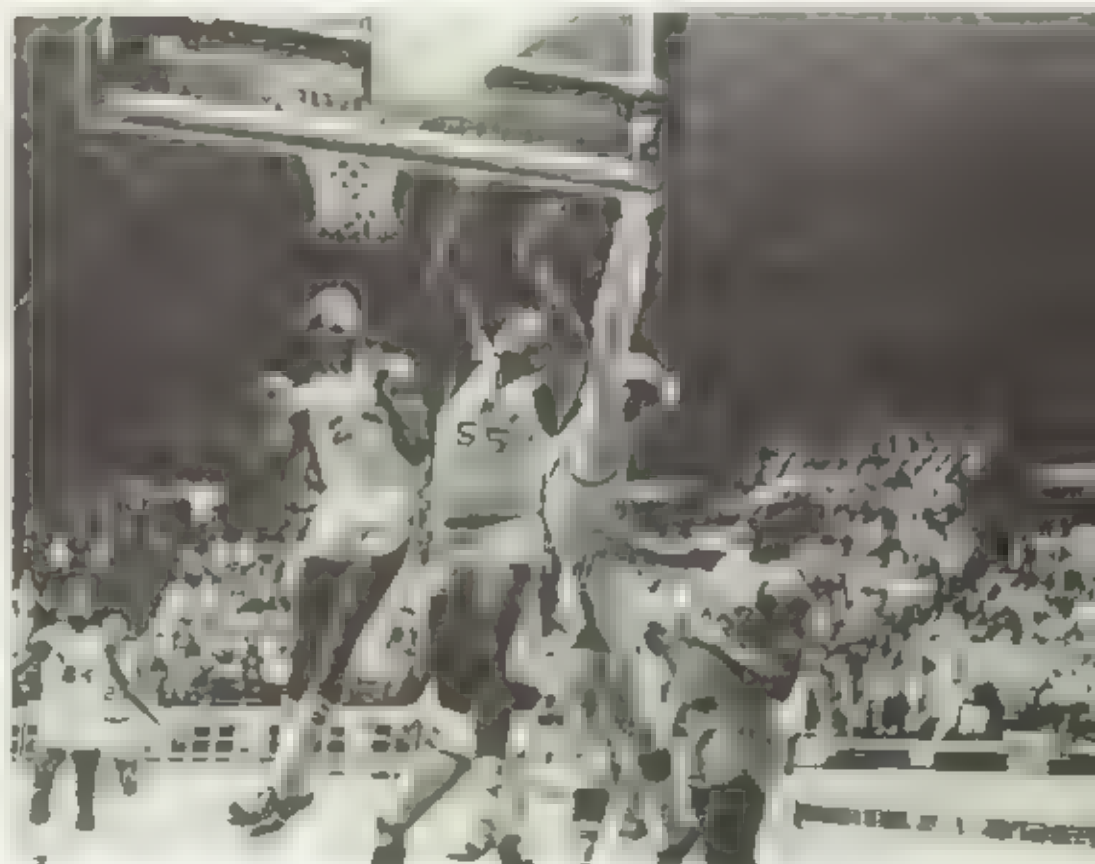

The Sophomore team completed their 1971-72 basketball season with a 3-9 record. The Buffs dropped and unusually number of close games, as they lost eight contests by a total of 20 points. Southeast, with Arlandus Lowe in his first year as head coach, was led in scoring by Robert Edwards, who averaged 12.0 points per game. Tony Greenberg, Eric Hill and Lee Wofford rounded out the scoring with 10.9, 10.6, and 7.9 averages respectively.

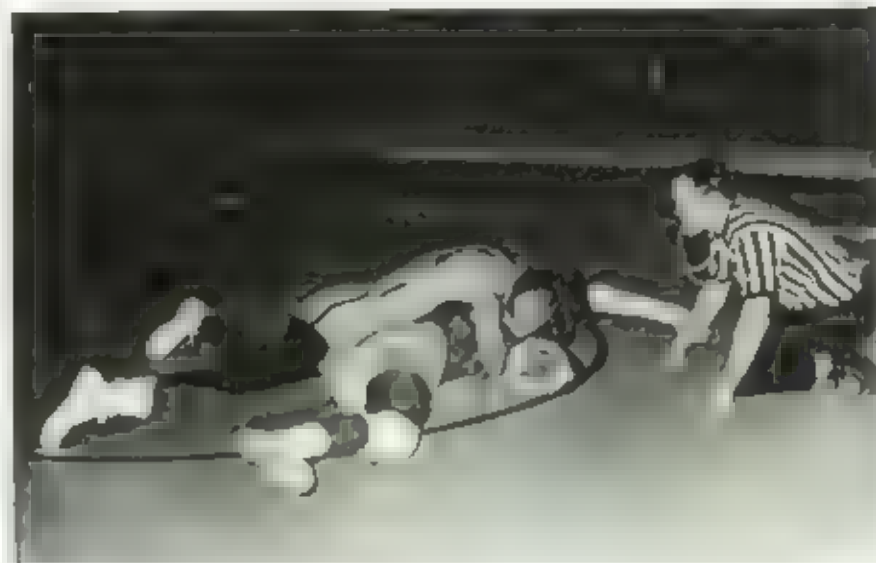

The Buffs competed in the East Invitational Tournament at the end of the season and dropped decisions to Kapaun and Heights.

**CENTER RIGHT:** Paul Porter tries to pin his opponent from Carroll during the meet.

**AT RIGHT:** Senior Steve Hibbs pinned his opponent and won for the SF Buffs.

## Gymnastics, Wrestling Squads Victor for Trophies and Medals

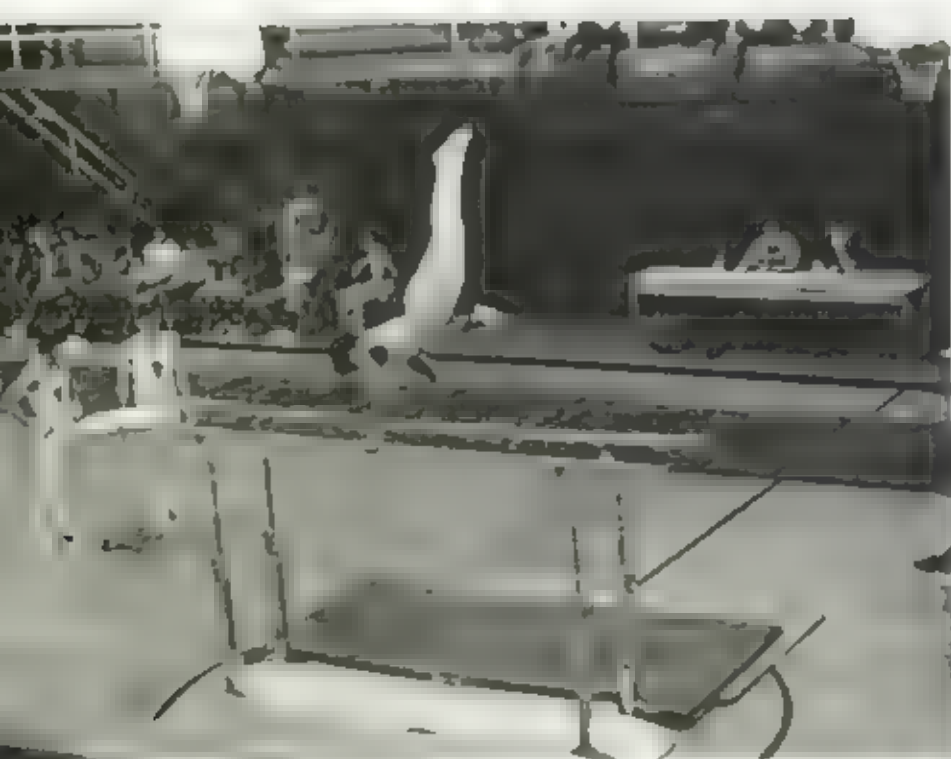

The Southeast wrestling team was sparked by outstanding individual performances as they were directed to a sixth place finish in the City League by first year coach Manford White.

SE grapplers finished with a 2-5 record in league meets, with wins over East, 33-22 and Carroll, 38-23.

The wrestlers also won a nonconference meet over El Dorado, 25-22, to bring their over-all dual meet record to 3-5.

Both Scott White and Bob Larson finished the regular season with only one loss. Southeast qualified four men for the regional tournament, Scott White, Steve Keeler, Paul Smith, and Bob Larson. White was the only one to finish high enough to be eligible for the state tournament.

The Southeast gymnasts, coached by Mr. Floyd Bayer and led by senior Jim Feagins and junior Tom Ludwick, scored impressive wins over City League opponents Heights, North, and West this year, also placing fourth in the Regional. The Buffs missed qualifying the entire team for the State meet by placing among the top eight finalists in the Regional. Tom Ludwick qualified for all around, Jim Feagins on the rings and parallel bars, and Mark Scholler on the side horse.

## Water Buffaloes Capture Fifth Consecutive City League Title

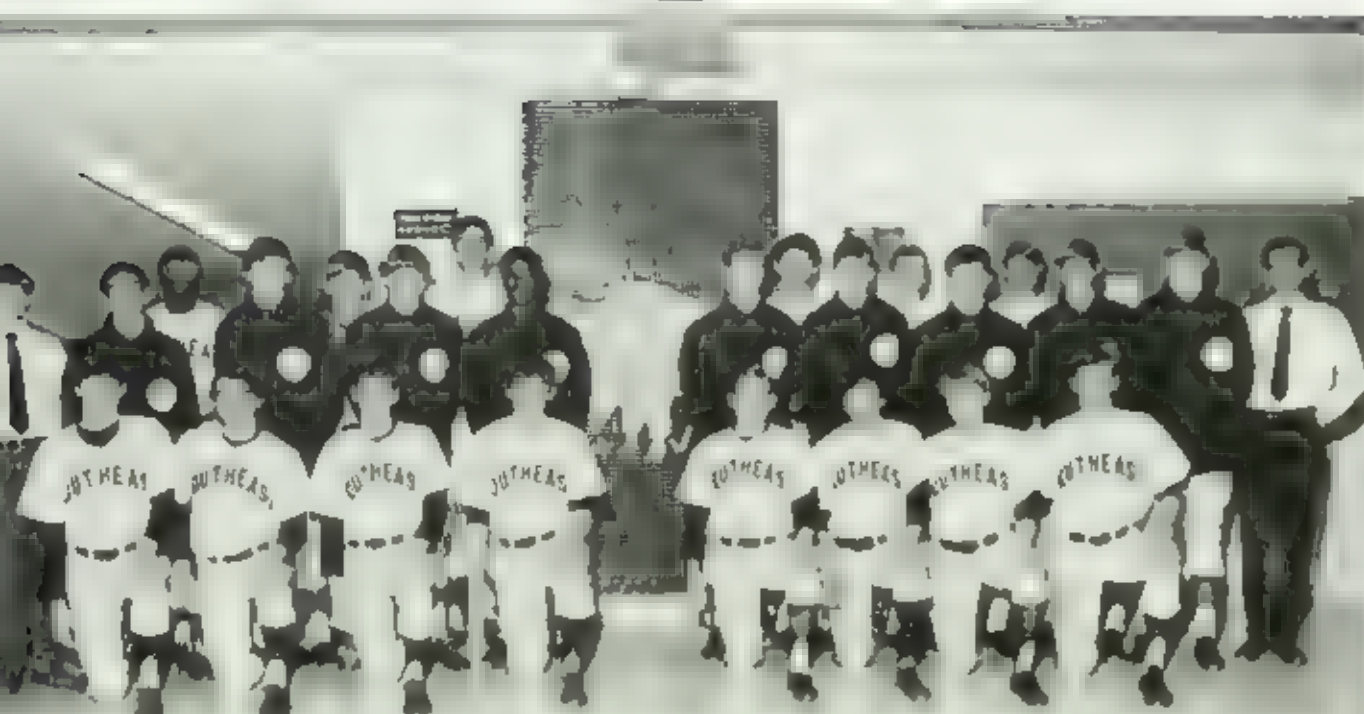

After an undefeated duel meet season, Southeast's Water Buffaloes capped a successful season with their fifth straight City League Championship. Another highlight of the season was a 53-42 victory over Bartlesville College High, the first time the swimmers have beaten the Wildcats.

Leading the Buffs to their fifth straight City title was junior Rick Hall and senior co-captain Mark Wise. Hall won the 200 yd. freestyle with a time of 50.6 and anchored the winning 400 yd. freestyle relay also comprised of junior Jack Dunne and seniors John Widdowson, and Jerry Conroy. Wise won the diving and in the process broke the old City record with a score of 61.9 points. Conroy, in addition to swimming on the winning 400 yd. freestyle relay, won the 100 yd. backstroke.

Although the victory over Bartlesville was a first, the finmen's closest competition came when they edged the West Pioneers 52-43. Junior Rick Hall was a double winner in both these meets.

On February 25 and 26 the swimmers retained their usual high state ranking led by Rick Hall, Mark Wise and Jerry Conroy.

## Spring Sport Teams Anticipate Highly Successful New Season

The track team, defending state indoor and outdoor champs, coached by Mr. Harold Brandenburg, were led this year by Lavurne Smith and Erroll Patton in the 100 and 220 yard dashes. Top hurdlers were Steve Fitch, Rocky Both, and Gary Herwig. Bill Neville and Ron Laird were this year's leading quarter milers, while Kent Adrian and Jerry Smith were tops in the 880 and the mile. Standouts in the field events were John DeSocio in the discus, Richard Varner in the shot put, Orley Amos in the long jump, and John Alefs in the pole vault.

Defending their state title, the baseball team, coached by Mr. Jim Deckinger, returned senior lettermen Steve Banks, David Chiles, Robert Hoenig, and Gary Milbourn to this year's squad.

The golf team, coached for the second consecutive season by Mr. Marvin Bandaveer, returned eight lettermen. They were Rick Moritz, Garth Kellenbarger, Bruce Pringle, Gary Tinterow, Richard Rothfelder, Paul Thompson, Robbie Bragg, and Steve Hansley.

## Girls' Athletic Squads Place High In City and State Meets

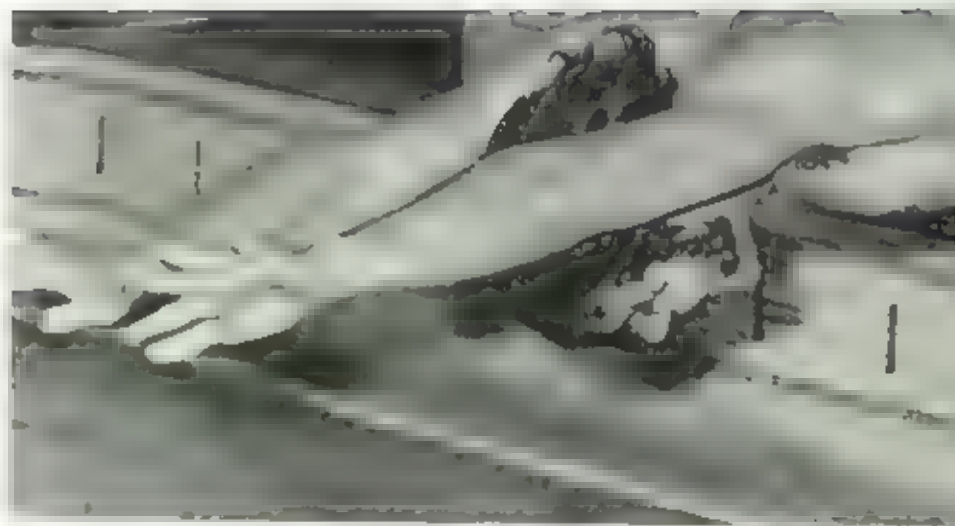

Coached under the guidance of Mrs. Marilyn Morris the girls hockey team remained undefeated this year in the city league.

Their first year at the regionals the girls volleyball team placed first. Under the direction of Miss Donna Harris they captured second in the city.

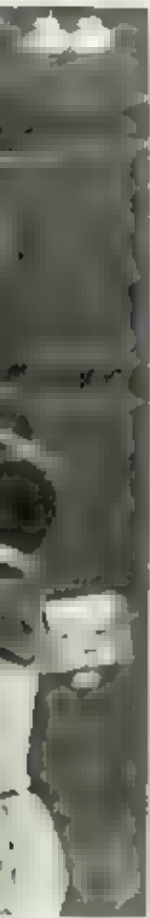

Miss Donna Harris also sponsored the girls A-team basketball. Miss Carol Mohrbacher and Mrs. Marilyn Morris instructed the B-team Basketball. The girls played each participating high school.

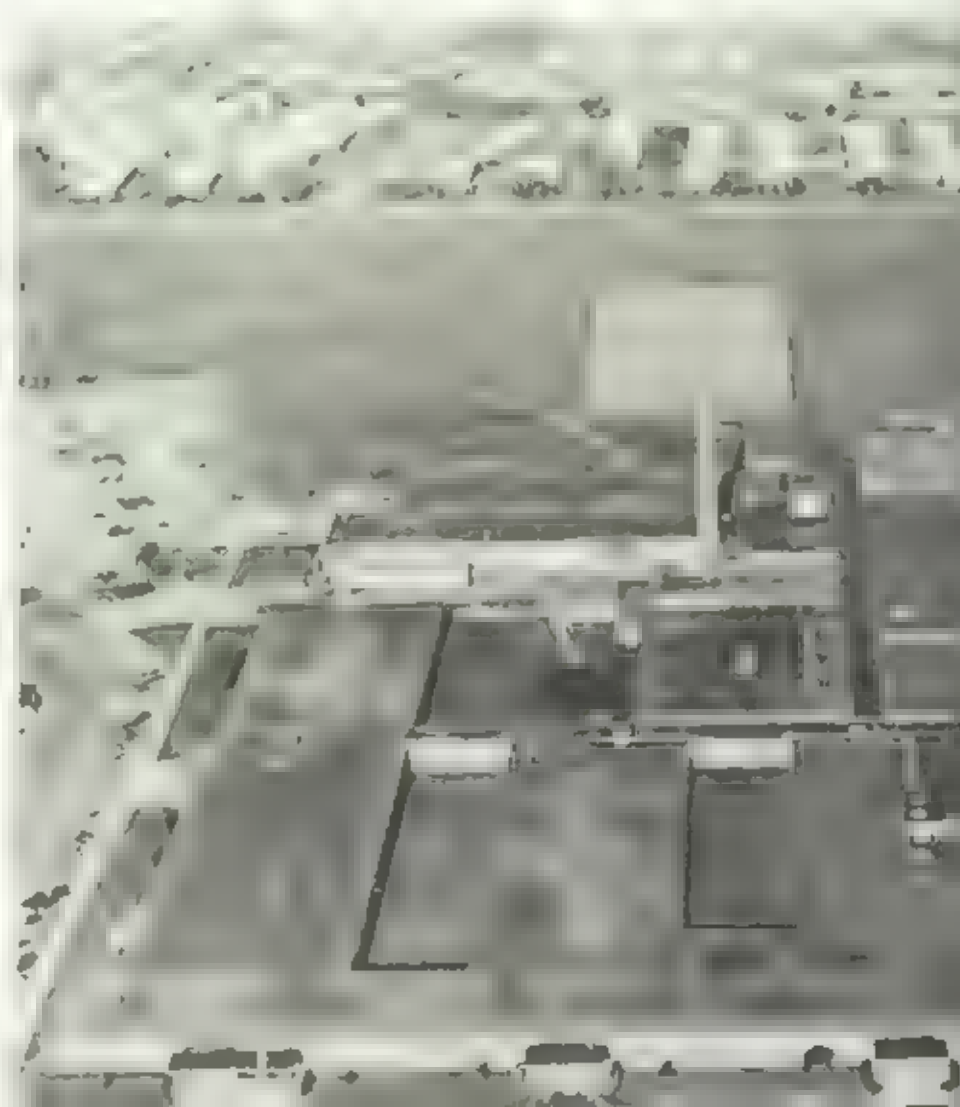

The girls gymnastic team sponsored by Miss Carol Mohrbacher practiced diligently to meet the difficult competition this year.

This year the girls softball team sponsored by Mrs. Betty Fugit defeated all other teams placing first in the city. Seniors Nancy Woolf and Anne Garretson playing doubles won a first place trophy in the spring regionals and finished third in the state events.

## Student Council and Student Body: Apathetic or Involved?

Changes that have occurred in StuCo this year have been a much debated topic. Many people have held the view that StuCo hasn't done very much in the way of helping the Student body, while others uphold that StuCo is made up of "social climbers" and they do nothing constructive. Because of this controversy, this page has been dedicated to finding out the truth as to what StuCo has done this year and the changes that they have brought about that the students aren't really aware of.

The following are excerpts from interviews with Mr. James Powell StuCo Sponsor and Frank Bell StuCo President.

**HOOFBEATS:** Do you feel that the communication between StuCo and the administration has fallen down this year?

**MR. POWELL:** The communication is definitely open and it has been all year. Our administrators listen to everything that StuCo brings up with an open mind. I feel that many students think that the lack of success of an idea is due to the lack of attempt, but this is not so.

**FRANK:** Definitely not. Had it not been for the complete cooperation and interest of the administration we would not have been able to obtain such privileges as teacher evaluation and open lunch. Two administrators were a pushing factor behind open lunch and they were behind us all the way.

**HOOFBEATS:** Has StuCo changed from planning social events to things of student welfare and importance?

**MR. POWELL:** This year we haven't had that many dances and for the first time in a long time we are fiscally stable. In past years, StuCo was mainly concerned with planning social events. At that time these events were needed outlets for the students, whereas now, the students have other

outlets due to more money and resources available to them. For this reason, school sponsored events are on their way out and I think this is too bad. School has become an impersonal thing. I feel that this is due mainly to the large number of students that attend one school. Because of this, students don't feel an attachment to the school.

This year StuCo has spent most of the time allotted to discussion from the floor, on discussing ideas for open classrooms and ways to revamp the whole system. In years past, the system worked well and the students were satisfied. Now the system doesn't work well and the students are beginning to wonder how they are being educated and how they can make it better.

As for community involvement, we worked with the Salvation Army during Christmas, Teen Action Program for the March of Dimes and the Walk for Mankind for Project Concern. Along with these things, many of the StuCo members are also involved in outside activities concerned with community problems.

**FRANK:** I think that this is when a personal feeling comes into view. We've had to rededicate ourselves many times this year. I'm not saying that community activities are insignificant, but I am saying that our first responsibility is to the school and the students. After we take care of the problems on a domestic basis, then we can go out and tackle some outside problems. Our main duty is not necessarily to promote social activities for the student body, but to serve them. I think that policy investigations and things of that sort are really more inherent. Also, students have expressed a stronger interest along this line. I feel this is where StuCo should place most of its emphasis.

**HOOFBEATS:** Has apathy on the

part of the student body had an adverse effect on Student Council policies?

**MR. POWELL:** Absolutely. Apathy has definitely had an effect on the council. The students seem to expect the council to do everything and then they sit back and complain because what they wanted either didn't get passed or brought up, and it's usually these people who have made no attempt to let their representatives know how they feel on a subject.

We don't get enough input from the student body. We should be a sounding board for student opinion but we can't be if the students make little or no attempt to let their wishes be known.

This has been a year of reevaluation and adjustment, but all in all it has been a successful year.

**FRANK:** It definitely has had an effect on StuCo and has in many ways directed our decisions on various activities. It has also made us more cautious on what we do and spend money for.

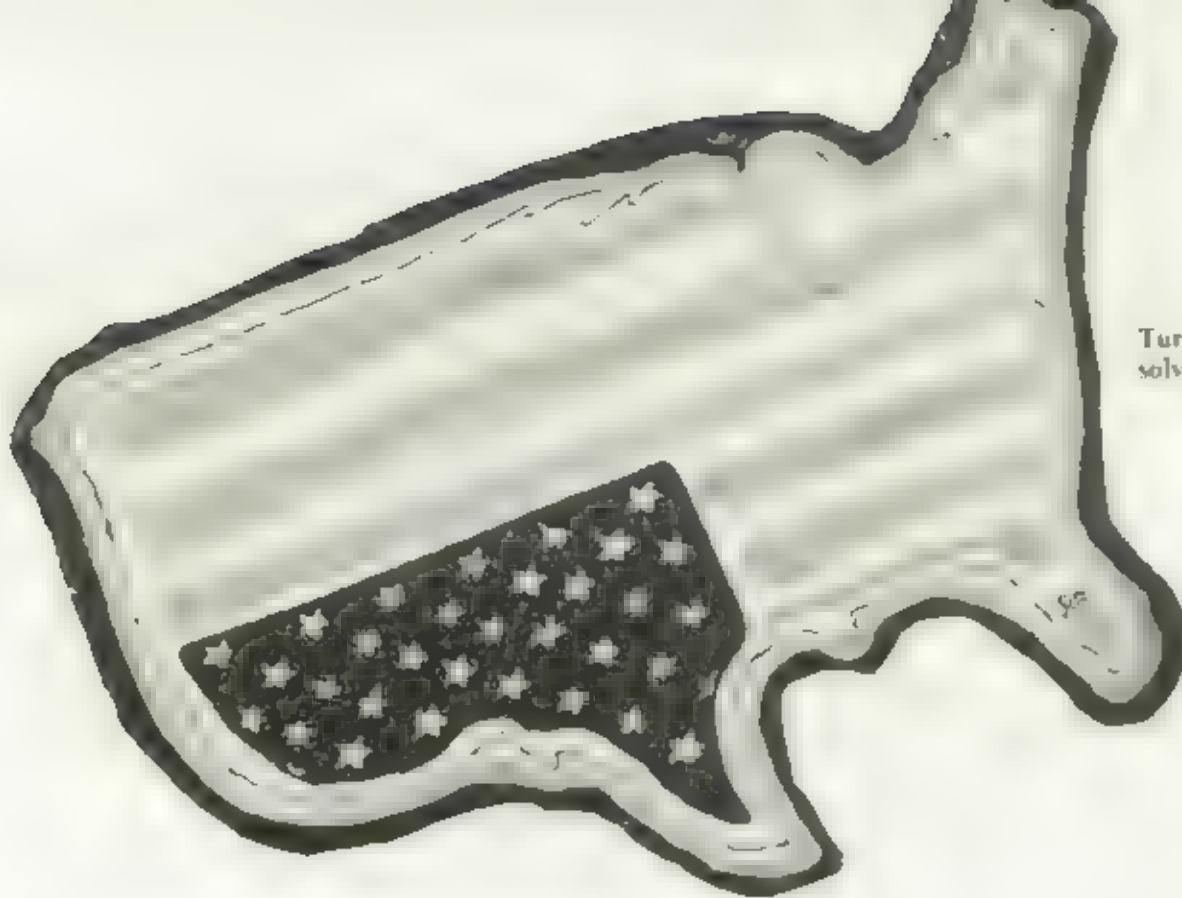

**EDITORS NOTE:** This year there were 52 members of the Student Council.

At the elections for the senior representatives, class president, and StuCo president 52 students put their names on the ballot for the preliminary elections.

This year 41 Sophomores put their names up and 32 Juniors put their names on the ballot for the preliminary elections.

Out of these people, 52 were elected to the Student Council. But what happened to the other 2225 students here at Southeast who didn't put their names on the ballot? How can the people who sit back and complain about the lack of work that StuCo supposedly does, do so when they probably didn't even care enough to run for a position on the Council?

Turning the Country to turmoil will not solve the problems of today.

This year StuCo has worked on and or passed the following things.

1. **LIBRARY POLICY** — This policy was put into effect 11-15-71. On 11-29-71 it was discontinued due to the lack of student responsibility.
2. **OPEN LUNCH** — Was put into effect on January 17, 1972, after much controversy and trouble getting it on the School Board's agenda.
3. **CLASS EVALUATIONS** —
4. **FRIENDSHIP FUND** — Last year we came in first in the city with donations. This year we were second.
5. **AIRLINE PASSES** —
6. **TWO CONSTITUTIONAL**

- AMENDMENTS** — a. Any person attending a StuCo meeting and is causing trouble can be evicted from that meeting without any prior notice.
- b. StuCo members can hold more than one position on the Council —
7. **KPTS FRUITCAKE SALT** —
9. **WALK FOR MANKIND** —
10. **MARCH OF DIMES** —
11. **OUT OF CITY EXCHANGE** —
12. **INTER-CITY EXCHANGE** —
13. **INTER-CITY STUDENT COUNCIL** —
14. **RADIO STATION KLOK** —
15. **ALL SCHOOL PROJECTS** —
16. **SPIRIT WEEK** —

17. **STUDENT LOUNGE** — "Due to student irresponsibility, Mr. Don Lamb was put on as Lounge Advisor. Due to student vandalism, the juke box was removed before the end of the first semester."
18. One dance was StuCo sponsored as of January 24, 1972, at the writing of this piece.

After reading this information, how can anyone say that all Student Council has done this year is plan social functions?

## Vandalism Strikes 15 Hardest Blow Ever 14

"Help me, my coat's stolen!" was the cry heard in the office throughout the year as Southeast experienced the "biggest rash of locker break-ins in the history of the school". Numerous coats were recovered and returned by the Police, but the majority were never located.

Approximately 30 fire extinguishers were also stolen from the school building, which, at a cost of \$23 apiece, totals \$690.

The Library reported numerous losses also, the biggest being the loss of 100 paperback books during the first semester.

RIGHT: The SE spirit plaque that was vandalized in the student lounge.

## First Year Open Lunch Policy Poses New and Different Problems

**HOOFBEATS:** Do you feel that Open Lunch is a good policy for the students to have?

**MR. ROBERTS:** I see nothing wrong with the concept of Open Lunch.

**HOOFBEATS:** Is Open Lunch a good policy for the students at Southeast?

**MR. ROBERTS:** I think there are, in most situations, people who are more interested in the freedom than the responsibility I think a prime example is the people who are tardy to class after a 45 minute lunch break. I would imagine that if we had an hour and a half lunch break those people would be tardy. They're not able to accept the responsibility. I think that's something we have to cope with.

**HOOFBEATS:** What about the automobile traffic?

**MR. ROBERTS:** There were 94 cars that left the parking lot the first 5 minutes of first lunch. I think the automobile traffic is a crucial part. I'm not upset with traffic but a child could get killed. The thing is it could happen at 2:00 but any time people can find something to pin it on they will.

**HOOFBEATS:** What is the possibility of Southeast getting another entrance

out of the parking lot?

**MR. ROBERTS:** No. I don't think that will happen for awhile. We're talking about another entrance out when the students at East can't find a place to park. I can see the Board of Education's point.

**HOOFBEATS:** What are some of the problems you see wrong with the first or second lunch?

**MR. ROBERTS:** I think it is not wrong to ask students in second lunch to stay in the main corridor until the one o'clock bell rings to go to halls ABCDE AND F to their lockers. Many of them consider this an imposition. I can't accept this. If this continues I guarantee Open Lunch will not be continued. There's no point in it. This whole thing was done on behalf of the students. On paper it worked very logically. People, especially young people, don't like to be manipulated or hurried. Nobody's trying to hurt them.

During second lunch students may not be in halls A, B, C, D, E, or F. They may be in halls M, N, H, J or K, outside, in Derby, Goddard, anywhere in the city or outside the city

limits of this metropolitan area but they may not be in halls A, B, C, D, E, or F. As soon as they get back from lunch, I'm not talking about just a few, I'm talking about two or three hundred, want to down into the halls to their lockers. The last five minutes of a class are crucial if giving instructions. First lunch doesn't work too badly.

**HOOFBEATS:** Would you like to make any further comments?

**MR. ROBERTS:** I think more people will tend to stay on campus rather than getting in their cars and coming back because it makes for a hectic day all the way around. The passing periods have been cut, it's REALLY MUCH running all day long. I envision the lunch to become much more casual as the time goes on. Eating in the cafeteria, bringing their lunch, spending their time on the grounds or in the area. Open Lunch is quite a psychological advantage. Being able to cross the street. It has a real good mental affect I think. As we go along I think this will prove more evident. People will become more relaxed.

Seniors Mare Wise and Cheryl Beard enjoy the freedom of Open Lunch as they can meet and have a friendly chat at Sandy's on East Kellogg

Attendance office early in the morning shows a line of student waiting for excuses

## Administrators Endeavor to Battle Numerous Attendance Problems

Class attendance was a serious problem this year and action was finally taken to find a better way. The following are excerpts from an interview with Mr. Larry Roberts, vice-principal.

**HOOFBEATS:** How many excused absences can a person be allowed?

**MR. ROBERTS:** There is not any number, although you may be taken out of a class for excessive absences.

**HOOFBEATS:** How many unexcused absences can a person have before he or she pays the penalty?

**MR. ROBERTS:** It's all pretty well tied together. The teacher determines whether or not a student has missed excessively. As far as unexcused or excused is concerned it isn't really that important. Generally an unexcused absence is an absence without the parents permission.

**HOOFBEATS:** Unexcused is like gyping, so can't you get into deep trouble with the school office?

**HOOFBEATS:** **MR. ROBERTS:** You might be withdrawn from the class if the teacher feels you are failing the class because of excessive absences and of course if you miss many class-

es, you may be withdrawn from school.

**HOOFBEATS:** How many days of withdrawal from school?

**MR. ROBERTS:** Depends on the absences, depends on the class, and it also depends on the student.

**HOOFBEATS:** What about the letter that was sent to all the parents?

**MR. ROBERTS:** It was a position letter only. It was a statement, which stated the policies of the Southeast administration.

**HOOFBEATS:** Do you think a college type approach would be better — if you pass the test you don't have to come to class or you are allowed so many absences a semester?

**MR. ROBERTS:** At college, attendance is a matter concerning your grades and your professor. I really think attendance in class is a matter between the teacher, the students, and the parent. That's what we're trying to do. I think that is pretty much a college type approach.

**HOOFBEATS:** What do you feel has caused the increase of student absenteeism?

**MR. ROBERTS:** I think the whole

social aspect has a lot to do with it. I don't know if I could pin point any one cause. There are many factors and I'm not sure I could be specific. There's not as much fear connected with school as there once was. Fear has to do with parents and school authorities as well, as far as missing class is concerned. It could also be that people don't consider it to be as meaningful as it was once considered.

**HOOFBEATS:** How do you feel attendance will be next year? Less or more?

**MR. ROBERTS:** I feel attendance next year will be somewhat like it was this year. I don't see us making any tremendous improvement. I'm not that unhappy with attendance. Attendance could be so much worse. Some of those cuts are probably in Study Halls. I think some other type of approach has to be taken other than study halls. I have some ideas for the changing of study halls. Resource centers in which the student can schedule himself into a resource center than study hall

## MOD Fights for Life

A birth defect is a disorder of body structure, function, or chemistry that is present at birth. It may either be inherited or as a result of some occurrence during pregnancy.

But birth defects are more than a medical phenomenon; more than a collection of grim statistics. Birth defects are human tragedies.

To prevent birth defects is the purpose of the March of Dimes, an organization that many Southeast students were involved in this year.

On Saturday, October 23, students held a citywide project called "Trash for Cash" where pop bottles and aluminum products were collected. The money received from these products went to the March of Dimes.

An educational assembly was held where Mrs. Kay Miller, March of Dimes state volunteer advisor, spoke

on birth defects, causes and preventions. Students listened as she told them about venereal disease, drugs and lack of prenatal care, all which can be causes of birth defects.

Selling bread throughout the city was another project held on Sunday, November 21, where Southeast students placed third in high school competition raising over \$550.

In January, Southeast students collected money at shopping centers raising over \$1000.

The annual "Go MOD Revue," a concert at Century II, was held to conclude the year.

Why were we, as students, so involved?

Because we are the parents of tomorrow. We are a part of the gentle revolution, part of an all out effort to improve the quality of life at life's very beginning.

## Open Learning Center School Alternative.

Do you feel that the present form of education is thoroughly outdated and badly in need of change?

If so, then you may be interested in the Open Learning Center which will begin at Southeast second semester.

The need for a different possibly better form of education combined with an increasingly greater number of drop-outs. Mrs. Sharon Thompson, English teacher, and Mr. James Powell, social science teacher, are going to develop and pilot the Open Learning Center.

The Open Learning Center or sometimes referred to as the open classroom is in operation throughout the country. Mrs. Thompson recently attended a meeting on the open classroom held in Denver, Colorado. "A tremendous amount of information and material was gained at the meeting, which will be of great benefit in setting up our new program," commented Mrs. Thompson.

The classroom located in H-3, will try to provide a relaxed atmosphere and a new type of classroom design. Mr. Powell commented, "This program is more fully developed than that of the modular scheduling system which failed three years ago."

Finally Mr. Powell emphasized that this is not a playtime, the study will be more extensive however presented in a more interesting and relevant manner since each program is developed for each student.

## Hoofbeats Speaks . . . . . . With Mike Dennis

**HOOFBEATS:** Why did you run for Sophomore Class president?

**MIKE:** To represent the Sophomores.

**HOOFBEATS:** What was your main goal that you wanted to accomplish for the Sophomore Class?

**MIKE:** I wanted to take some of the ideas of the students and if the majority of them wanted something done, I'll see what I can do.

**HOOFBEATS:** And have you reached that goal?

**MIKE:** No.

**HOOFBEATS:** What do you think of the people who have quit Stuco?

**MIKE:** I think that they hurt Student Council quite a bit. They were about three of the best members in there.

**HOOFBEATS:** What do you think is the cause of apathy in the schools?

**MIKE:** There is not enough publicity. News can't get around and I think they drive school spirit into the ground.

**HOOFBEATS:** What needs to be done to encourage participation in school activities?

**MIKE:** I don't know.

**HOOFBEATS:** Do you think the open lunch policy should be instigated at Southeast?

**MIKE:** Yes.

## Hoofbeats Speaks . . . . . . With Rusty Carson

**HOOFBEATS:** Why did you run for President?

**RUSTY:** I wanted to try and fulfill a lot of the needs and gripes the students had. I didn't want to sit around and watch what was happening and all the apathy and I wanted to try and do something to improve it.

**HOOFBEATS:** What was your main goal that you wanted to accomplish for the Jr. class? Did you reach that goal?

**RUSTY:** The main goal — I wanted to listen to as many people as I could and try to bring about their ideas. I wasn't running to be the person talking but to listen and try to get their ideas brought up in Student Council to have a betterment of it. We have partly reached our goal in Student Council overall. This year it's changed a lot and I have reached half of it but I have another half year to go.

**HOOFBEATS:** What did you think of the people who quit Stuco?

**RUSTY:** I know they felt they weren't getting much done but I had the opportunity to work with them in some student council meetings before school started and I had a lot of their ideas and a lot of people seemed to listen to them. I think they wanted too much action too fast and I thought they should have stuck with it longer to try and get it done.

The following students were elected to the Student Body  
 Officers of the Student Body  
 President: [Name]  
 Vice President: [Name]  
 Secretary: [Name]  
 Treasurer: [Name]  
 [Additional names and titles follow in a similar pattern, though they are difficult to read due to the image quality.]

Portrait of the Student Body President, [Name], and the Student Body Vice President, [Name].

Senior Class First Project and Presentation

The first project of the senior class was a presentation of their work. The students were divided into groups and each group presented a different project. The projects were judged by a panel of judges and the winning project was awarded a prize. The students were very proud of their work and the judges were impressed by the quality of the projects.

## Hoofbeats Speaks . . . . . . With Rick Ewonus

**HOOFBEATS:** Why did you run for President?

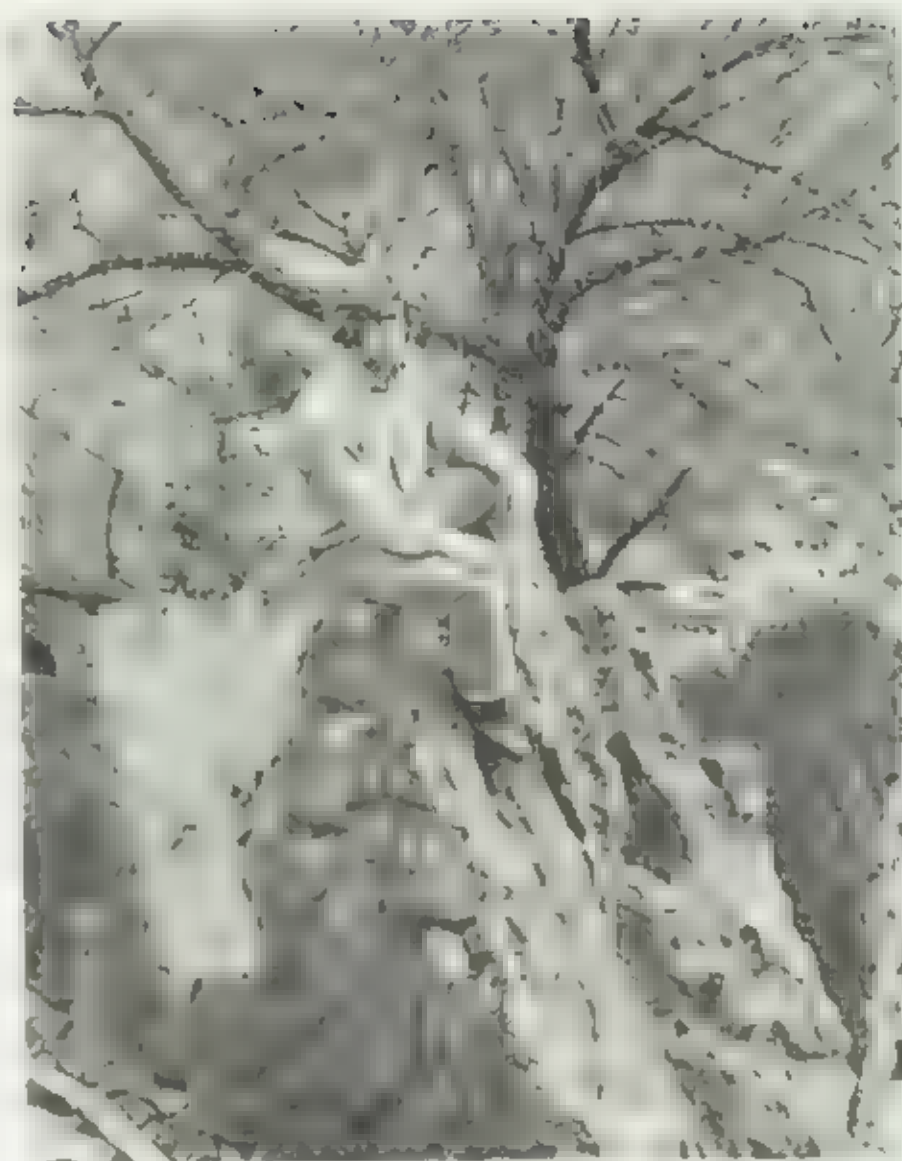

**RICK:** I felt that in the past years the class president's did not really represent all the people in his class. I ran because I wanted to give each person a chance to contribute and express his own individual ideas too the class and for the school, and not just cater to the needs of one specific group of people.

**HOOFBEATS:** What was your main goal that you wanted to accomplish for the Sr. class? Did you reach that goal?

**RICK:** My main goal was to get as many students involved throughout the Sr. Class as possible and to give them an opportunity to have a voice in the policies directed and related to their education. If you mean am I satisfied with the accomplishments made this year. No I'm not. However, we did change the Library policy and compulsory attendance, but I think more people would have been awake and aware if we could have changed a lot more than that.

**HOOFBEATS:** What did you think of the people who quit Stucco?

**RICK:** I tend to sympathize with them. I know how worthless life can be when things seem hopelessly unchangeable. But here were the kind of people who had the potential to bring about changes and they gave up and quit when the going got rough.

Senior class President Rick Ewonus

**SENIOR CLASS REPRESENTATIVES: LEFT TO RIGHT —** Frank Bell, Daphne Broadwater, David Leben, Vince Wright, Rick Ewonus, Harlin Freedman, Martha Loba, Tim Chafin, Not Pictured: Lyndee Wisner, Richard Varner, Bill Sexton, Rick Butin, Susan Bradberry

Senior Sue Shaeffer, the typical example of a SENIOR WOMAN at Southeast high

Guess WHO..... Would you believe halloween girl Cheryl. Here at a Football game.....

Seniors took first place in float competition with the theme "SOUTHEAST #1"

COS 101: Introduction to CS  
 Text: *Structure and Analysis of CS*  
 Lectures: 10  
 Labs: 10  
 Prerequisites: COS 100  
 Co-requisites: COS 102  
 Credits: 3  
 Description: This course introduces the student to the field of computer science. It covers the fundamentals of computer science, including the design and analysis of algorithms, data structures, and the organization of computer systems. The course is designed to provide a solid foundation for students who plan to continue their studies in computer science.

Jim

Deb

Dear People,

Now is the time for all good staff members to go home and get some needed sleep and homework finally done. It's finished!

We've done our best, now it's up to you, the readers, whether or not it's a success. Hoofbeats is a book. It contains 160 pages, yet it is more than just a book — it is a record of a year of hard work, although we will never forget the "Romper, Stomper Books", late nights, and fits of giggles brought on by exhaustion.

We would like to thank the staff members who worked, with special thanks to Fritz and Si, who spent a total of 999,999,999 hours in the dark room developing and printing pictures. (Sorry Fritz, we couldn't afford the P.B.F. on the back cover, heaven knows you deserve it.) Thanks to the janitors who clean C hall. You'll never know how much we appreciated your good humor and understanding when we were here until 10:00 at night. And last but not least, Michael, who wrote those fantastic headlines that fit, but which no one will ever see.

### Special Acknowledgements:

PAUL: For all the faith and love, and always being there to listen.

MICHAEL — KAREN, SI, MARY, NANCY and FRITZ: for all the long hours you spent at school and on Saturdays with a crazy editor.

BOB: of American Yearbook: For putting up with all of our last minute changes and corrections.

STEVE — of American Yearbook: For teaching us to do our own thing, but letting us use some of his.

MR. WRIGHT — Of American Yearbook: For telling us we could do it.

MR. CAMPBELL: For the opportunity to show what we could do — Put out a yearbook.

DR. ADDIS and DR. ROBERTS: Who were always in the background, yet always around to help.

TO DAD and MOM: Who never said anything when I spent 16 hours a day at school. — I'm coming home — get my room ready — PLEASE?

MRS. WULFMEYER and MRS. BUCHANAN: for always understanding when I didn't come to class on a deadline.

IRIX: For her zany ideas that brought in money.

TO ALL THE STUDENTS: Who attended our money making projects that made the cover possible.

MR. CROMER: for patience and understanding beyond the call of duty.

MRS. GOSSET: for being someone we could turn to in a time of need.

MRS. CHRISTY (Yearbook Mom): who always came running with the key and the loan of her scissors! She'll never know how much she has meant to us.

SANDYS: who saved the entire staff from starving and cannibalism.

MR. HUFFMAN: whose understanding really helped us over the ruff places.

MR. POWELL: for letting me out of class on Friday to work on the yearbook.

DICK GARVEY: for drawing all those pictures that we couldn't use and all of those we did. They're great!

THANKS.

JOY and DEB
